EFFECT OF LOSS OF SENIORITY BY SENTENCE OF COURT-MARTIAL.

The sentence of a Court-Martial, placing an officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full, Half, and Retired Pay and gratuity in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full, Half, and Retired Pay and gratuity, depend upon actual service.

In making out this List, the following Directions are to be carefully observed:—

I. The List to be made out in triplicate, for their Lordships the Commander-in-Chief, at the Ports where the Officers are to be borne, and the Accountant-General when Officers are entitled to Full-pay Leave, otherwise it is to be made out in duplicate, for their Lordships and the Accountant-General.

II. Foreign Service in a Ship commences on the date of leaving England, and ends upon her arrival home, the time employed fitting out at home and dismantling after arrival not being reckoned as Foreign Service. If a Ship returns to England and proceeds again to a Foreign Station, the time in England is not to be reckoned as Foreign Service.

III. The Actual Foreign Service only is to be specified against each Officer. If an officer has been checked on leave to England during his service, the period should also be stated.

IV. An Officer taking passage out in a Mail Packet or Private Ship will reckon Foreign Service from date of embarkation for passage out.

VII. No advance or Payment on Account is to be made by the Paymasters to an Officer while on Full-pay leave; the Pay Tickets are to be forwarded from the Flag-Ship to the Accountant-General, by whom only the time on leave can be investigated and the amount due paid, when the Officer's leave expires.

VIII. By Orders in Council, it is directed that the leave is only allowed at their Lordship's discretion, on return from Foreign Service, as follows:—

For every complete six months' service abroad . . . . . One week
For every month served beyond the last period of six months. . . One day
This scale to extend to a period of five years' absence from England.

2. Cases in which the absence from England is more than five years, will be specially dealt with by their Lordships when circumstances, in their opinion, warrant the extension of some special indulgence to an Officer returning to England after such absence.

All such Officers holding appointments in His Majesty's Yards, if not entitled to civil superannuation, shall be allowed to count such service as time towards pension, on the above scale.

In the event of Commissioned Warrant Officers, Warrant Officers and Divisional and other Chief Officers of Coast Guard on shore having sustained injuries on duty not nearly equivalent to the loss of a limb, or being disabled by sickness contracted in the service, and not from want of proper care on their own part, an increase of not more than 10*l.* a year may be made to whatever Retiring Allowance may be awarded to them under the foregoing scale, provided they have not already received compensation for the same.

For ruptures and minor injuries received on duty gratuities shall be granted under Article 1913 of the Regulations, at the discretion of the Admiralty, instead of the above increase.

Whenever an application for a pension on account of age, long service, or disability is made by any such Officer who has received a wound or injury in the service, the Captain will direct the Medical Officer to make a report, which he will forward with the application, for the information of the Admiralty, stating clearly the extent to which the injury affects the applicant, and the degree in which it incapacitates him from contributing towards his own support; if the injury was received before the 30th of August, 1870, and no hurt certificate is produced, the applicant's statement should be supported by any documentary evidence that can be produced.

Special Pensions, or gratuities in excess of the foregoing scale for service may, at the discretion of the Admiralty, be awarded when special services have been rendered requiring special reward; and such lower rates of pension as the Admiralty may think proper may be granted to officers who have been found to be unworthy of further employment.

Time during which an officer shall not have maintained a good character in the ships in which he has served shall not be allowed to reckon as service for Pension.

Commissioned Warrant Officers, Warrant Officers and Divisional and other Chief Officers of Coast Guard on shore in such cases as may be for their advantage may be pensioned on the scale for seamen, their service in the above ranks being allowed to reckon as superior petty time.

All Commissioned Warrant Officers and Warrant Officers who have been dismissed from His Majesty's service for what may be considered venial offences in the case of seamen, may, at the discretion of the Admiralty, be allowed Naval Pensions on the seamen's scale, provided they have twenty-one years' service, or are from age or other causes unfit for service as seamen in the Navy. In such cases the time served as Warrant Officers may be allowed to reckon as superior single petty time under Article 1938 of the King's Regulations.

The Pensions of Commissioned Warrant Officers and Warrant Officers will be held only during good behaviour.

The case of a Chief or other Officer of Coast Guard Cruisers, who may sustain a wound or injury on duty, will be specially considered.

CHIEF AND HEAD SCHOOLMASTERS.

1. Retiring Pensions shall be awarded to Chief and Head Schoolmasters under the following regulations:—

a. They shall be pensioned at 55 years of age, or at any less age, if found unfit for, or unworthy of, further employment; and they may be pensioned, by the permission of the Admiralty, at their own request, at 50 years of age. Chief and Head Schoolmasters may, however, be retained on the Active List up to the age of 60, if the Admiralty considers that it will be for the benefit of the Service.

b. The following shall be the scale of Pensions, but Chief Schoolmasters shall receive an additional sixpence a day for each year's service as Chief Schoolmaster, up to a maximum Pension of £150 a year:—

After 30 years' service, 5 of which to be as Warrant Officer	5 6

Head Schoolmasters in the Navy on 1st July, 1899, will reckon all time served in that rating as Warrant time.

2. Head Schoolmasters will be pensioned on the terms laid down in Art. 1939 of the King's Regulations for Naval Schoolmasters in cases in which such terms will be to their advantage, service in the rank of Head Schoolmaster counting as superior Petty time.

RETIREMENTS, &c.

GENERAL RULES.—CONDITIONS OF RETIREMENT, &c.

NOTE.—*For Tables of Full, Half, and Retired Pay, and Gratuities, see pp.* 773, 793.

NAVAL OFFICERS.

I.—General Rules.

1. After retirement no increase of retired pay to be allowed to any Officer, except in the case of his retention in a Civil appointment at or under the Admiralty. The only addition possible will be in the form of Pension.

2. Power is reserved to the Admiralty to suspend at any time and with respect to any rank, the provisions of the Order under which an Officer may at his option retire at an age less than that fixed for compulsory retirement in each rank. It must be understood that optional retirement may be suspended in the case of any individual Officer to whose rank this clause applies without extending the suspension of optional retirement to other Officers of the rank.

The same power exists of suspending the provisions as to voluntary retirements.

3. Retirement from the Active List is not to disqualify any Officer for employment at or under the Admiralty.

4. The sentence of a Court-Martial placing an Officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his half or retired pay or pension, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the half or retired pay, pension, or gratuity, depend upon actual service; but, although the time is forfeited, it is to be considered as service in reference to compulsory removal from the Active List.

5. (*a*) An Officer who, in the opinion of the Admiralty, by reason of an act or acts of misconduct or through intemperate or irregular habits of life has become unfit for, or, in the opinion of the Admiralty, is for any reason unworthy of, further employment, may be placed on the Retired or Pension List irrespective of Age or Service, whether he has been tried by Court-Martial or not.

(*b*) An Officer placed on the Retired List under Clause (*a*), may be granted such rate of Retired Pay, or such Gratuity, as the Admiralty may think fit, provided that the amount of Retired Pay shall in no case exceed the half-pay to which such Officer was entitled previous to retirement, and that the amount of the Gratuity awarded shall not exceed the commutation value (as assessed by the Pensions Commutation Board) of such half-pay; and shall be less than the amount of Gratuity to which he would have been entitled under ordinary circumstances.

No Officer may, however, be granted Retired Pay in excess of the amount to which he would have been entitled under ordinary circumstances.

(*c*) An Officer who has had long and good service, but who is not entitled under ordinary Regulations to Retired Pay or Gratuity, in consequence of forfeiture of service by sentence of Court-Martial, may be awarded such Gratuity, not exceeding five hundred pounds (£500) as the Admiralty may think fit.

(*d*) An Officer dismissed the service by sentence of Court-Martial may be awarded a Compassionate Allowance not exceeding the lowest rate of half-pay of his rank; but the granting of such Compassionate Allowance shall be entirely at the discretion of the Admiralty.

No Officer may, however, be awarded a Compassionate Allowance in excess of the Retired Pay to which he would have been entitled, under ordinary circumstances, on retirement.

(*e*) Sub-Lieutenants and Assistant Paymasters, whether dismissed the Service by Court-Martial or placed on the Retired List under Clause (*a*) may be awarded gratuities not exceeding 25*l.* for each year's service in these ranks, or 250*l.* in all.

(*f*) Officers allowed to resign their commissions to avoid trial by Court-Martial may be granted such compassionate allowance as the Admiralty may think fit, provided that such allowance shall in no instance exceed one-third of the amount of half-pay to which the Officer was entitled at the time of resignation, and provided also that such allowance shall not in any case exceed 100*l.* per annum.

(*g*) Commissioned Warrant Officers, Warrant Officers, and Officers of Coast Guard other than Commissioned Officers, placed on the Pension List under Clause (*a*) may be awarded such reduced rates of pension as the Admiralty may in each case determine.

(*h*) Nothing in these provisions shall prejudice or affect the power of the Admiralty to discharge or dismiss Officers, or shall confer on any person who has been removed from His Majesty's Service any right to half-pay, retired pay, or pension, compassionate allowance, or gratuity.

The expression "an Officer" in these regulations shall, unless the context otherwise requires, include Commissioned Officers, Warrant Officers and Subordinate Officers of all ranks.

1st. That the rank of retired Rear-Admirals shall be given, by Seniority, to such applicants from the 14s. 6d. Half-pay List as may be willing to accept it, with the pay of 1l. 5s. per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7s. 6d. per day to be given to applicants, by Seniority, from the 12s. 6d. and 10s. 6d. Half-Pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May 1856) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110l. per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1l. List to be filled up, in turn of Seniority, by Officers then accepting the 18s. per diem; but no new admissions to the 1l. 5s. Bar, Full Dress.

11. On the full dress coat the bar must not project beyond the centre seam, and when the Decorations, Orders, and Medals cannot on account of their number be suspended from the bar so as to be fully seen, they are to overlap, the highest showing in full.

Bar, Ball Dress.

12. With ball dress the bar is to go over the lapel, if necessary, but not beyond, and if from the number of Decorations, Orders and Medals, it should be too long to be worn conveniently, miniatures may be worn in lieu.

Buckles of Companions of Orders.

13. The Buckles of the Companions of the Orders of the Bath and of St. Michael and St. George, are, as part of the Badge of the Order, to show half way between the upper and lower edge of the ribbon.

Medals awarded by Societies.

14. Medals awarded by a Society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast, similarly to those on the left, and on the same horizontal line.

If the Stanhope Gold Medal is awarded to an officer or man by the Royal Humane Society, it is to be worn in place of, and not in addition to, the Silver Medal previously granted.

Description of bar.

15. In all cases the bar for the suspension of Decorations, Orders and Medals is to be provided at the expense of the wearer. It may be of any metal or material, and of any pattern consistent with the above instructions, provided that the bar and the buckle are wholly concealed by the ribbons.

Length of ribbons.

16. The ribbons of Decorations, Orders and Medals are to be of the following lengths—

a. When Decorations, etc., are worn:—
Full size .. .. .. 1 inch
Miniature .. .. .. ⅞ inch

b. When ribbons alone are worn:—
Full size .. .. .. ¾ inch
Miniature .. .. .. ⅝ inch

These lengths are not to be exceeded, unless, in the case of medals, the number of clasps should necessitate it.

Ribbons sewn on the coat.

17. When ribbons, either full sized or miniature are required to be sewn on the uniforms, the same order of arrangement is to be followed, as that laid down in clause 10, for Decorations, Orders and Medals. Knights Grand Cross and Knights Commanders will however add the ribbon of a Companion of the order, or orders, to which they belong under clauses 3 and 6. The ribbons are to be sewn plain on the cloth of the uniform, without intervals; and when the space between the shoulder to the edge of the lapel is insufficient to accommodate them to one row, they are not to be made to overlap as on the bar but are to be arranged in two or more rows placed immediately under each other, with an interval of ½ inch intervening between each row.

Ribbons of Orders and Medals to wear which private permission has been given, are not to be sewn on the coat.

Decorations, &c. with White Uniform.

18. With white undress, Decorations and Medals or ribbons of Decorations and Medals are to be worn as prescribed for the dress in lieu of which white undress is being worn. The broad ribbon of Knights Grand Cross should be worn under the shoulder strap.

When worn with white uniform the ribbons of Decorations and Medals are to be placed on a removable bar.

Miniature Decorations, Badges and Medals.

19. Miniature Decorations, Badges of Orders, and Medals are to be arranged on a bar in the same manner and order as the full-sized. Knights Grand Cross and Knights Commanders will wear thereon, senior to all other Decorations, &c., except the Victoria Cross, the miniature Badge of the Order, or Orders, to which they belong, omitting the Buckle in the case of the Orders of the Bath and of St. Michael and St. George.

The precedence of the various Orders of Knighthood concerned is as shewn in clause 10 for the Companions of those Orders.

20. If necessary the bar should extend over the lapel of the coat.

Decorations, &c., may be worn with plain dress.

21. Stars of the Orders and miniature Decorations, Badges of Orders, and Medals, are authorised to be worn in evening dress (plain clothes) in the presence of members of the Royal Family or Viceroys, and of Governors-General, and on public and official occasions.

22. Only one set of miniatures need be maintained. The miniatures of companionship or membership will not be removed when the riband or badge of a higher order is worn by Knights Grand Cross, Knights Commander, &c.

Retired Officers.

23. Retired officers are authorised to wear Stars and Badges of Orders, and miniature Decorations and Medals in evening dress on all public and official occasions.

UNIFORM FOR THE ROYAL NAVAL RESERVE.

The Uniform of Officers of the Royal Naval Reserve is the same as that of Officers of corresponding rank of the Royal Navy with the following exceptions:—

1. Instead of each distinctive stripe of gold lace round the sleeves of the coat there is a stripe formed of two waved lines of gold lace, each of one-half the width of that prescribed for Officers of the Royal Navy, one line superimposed upon the other so that one-eighth inch of blue cloth shows between the curves. (The half stripe, however, is a single straight line of one-eighth inch gold lace.)

2. The buttons have the letters "R.N.R." in Old English characters across the anchor.

3. The anchor on the epaulette is replaced by a badge consisting in a silver or gold anchor (according to Branch) surrounded by the words "Royal Naval Reserve" embroidered in gold.

4. The device on the cockade of the cocked hat is of gold cord.

5. Cap Badge.—The foul anchor on a blue cloth ground is replaced by a silver or gold anchor (according to Branch) surmounted by the letters R.N.R. in gold, on a medallion of black velvet encircled by an edging of gold lace.

6. The letters R.N.R. are embossed over the foul anchor on the guard of the sword and across the anchor on the sword belt.

7. The white turnback and buttonhole of white twist for Midshipmen is replaced by a buttonhole of blue twist.

8. Midshipmen, when appointed for short periods or when under training, are not required to wear a sword or dirk, but may wear a sword.

NOTE.—The distinction lace may be mounted on a strip of blue cloth before being attached to the coat; in that case, the edges of the cloth strip should be so cut as to follow the lines of the gold lace at a distance not exceeding one-eighth of an inch.

The waved lines of the distinction lace consist in continuous curves and not in straight lines with rounded angles.

2. The edges of the coloured cloth denoting Branches other than the Military Branch are waved to follow the curves of the lace. When there is more than one stripe of distinction lace the coloured cloth fills the space between the stripes.
3. The buttons have the letters R.N.V.R. in Old English characters across the anchor.
4. The anchor on the epaulette is replaced by a badge consisting in a silver or gold anchor (according to Branch) surrounded by the words "Royal Naval Volunteer Reserve" embroidered in gold.
5. The device on the cockade of the cocked hat is of gold cord.
6. Cap badge:—The foul anchor on a blue cloth ground is replaced by a silver or gold anchor (according to Branch) surmounted by the letters "R.N.V." in gold, on a medallion of black velvet encircled by an edging of gold lace.
7. The letters "R.N.V." are embossed over the foul anchor on the guard of the sword and across the anchor on the sword belt.
8. The white turnback and buttonhole of white twist for Midshipmen is replaced by a buttonhole of maroon twist.
9. Assistant Paymasters of over four years' seniority wear two stripes, only if qualified under Article 15 (2) of the Royal Naval Volunteer Reserve Regulations.

NOTE.—Dental Surgeons wear the same uniform as Surgeons.

The distinction lace may be mounted on a strip of blue cloth before being attached to the coat; in that case, the edges of the cloth strip are so cut as to follow the lines of the gold lace at a distance not exceeding one-eighth of an inch.

In hot climates the trousers for Nos. 5 and 9 dresses may be fine white duck if men are not in possession of duck ordinary overall trousers.

3. *Helmets* will be worn on changes of station, embarking, disembarking, and on active service. Afloat they will always be worn for guards and divisions when No. 1 dress is ordered, and in all orders of dress when seamen wear hats. On service abroad the helmet will take the place of the cap when ordered. The front plate of the helmet is for use on all occasions when the helmet is worn, except on active service, when the plate will be removed at the discretion of the Senior Officer. The metal ball is to be worn when serving on shore at home. The white zinc mushroom top is for use on all stations whilst serving afloat; this top *may*, however, be replaced by the metal ball for men serving on guards of Honour to Royal Personages, or on other special occasions at the discretion of the Commander-in-Chief or senior officer, and *will* be replaced by metal ball when landed for duty at home, *e.g.*, funerals and ceremonial occasions. The buckle of leather chin strap is worn on right cheek and the strap is always worn on duty, but not on leave or by working parties or postmen unless specially ordered. When the helmet is worn, the cap may be packed in the canvas bag, kit bag or pack, or carried in the haversack, as ordered.

4. *Cap covers* will be worn afloat whenever Seamen are wearing cap covers; at home, from 1st May to 30th September, inclusive.

5. *Equipment.*—The buff belt (and frog) will be used for all ceremonial occasions, leave, guards on board, and inquests from ships; when the buff pouch is worn, it will be in centre of back for ceremonial and drill, and on right side when ammunition is carried.

6. *Great coats.*—The waist belt will be worn underneath the great coat when off duty and when walking out.

7. *Leggings* are only worn for landing when specially ordered. *See* Note 14.

8. Gloves are to be worn in winter months on duties not under arms, and off duty when walking out till sunset.

14. *Naval Picquets or Patrols.*—No. 2, with leggings, frogs, etc., as ordered for Seamen, without side arms.

15. *W.R.O. Servants* when sent on shore on duty for their masters are to wear the dress specially laid down for Marine Servants, page 847.

PRIZES, TESTIMONIALS, &c.

THE BEAUFORT TESTIMONIAL.

The Beaufort Testimonial, which was founded in 1860 to commemorate the service of Rear-Admiral Sir Francis Beaufort, K.C.B., who filled the post of Hydrographer of the Navy from 1829 to 1855, consists of a prize of instruments or books of a professional character and of practical use to a Naval Officer.

It is bestowed annually on the Midshipman who passes the best examination in Navigation and Pilotage for the rank of Lieutenant in the Royal Navy.

THE WHARTON TESTIMONIAL.

The Wharton Testimonial was founded in 1907, to commemorate the service of Rear-Admiral Sir William J. L. Wharton, K.C.B., F.R.S., who filled the post of Hydrographer of the Navy from 1884 to 1904. It exists for the same purpose as the Beaufort Testimonial. The funds available amount to about £950. The interest on a portion of this sum will be added to the interest on the capital of the Beaufort Testimonial, and the total amount will be employed in purchasing some instrument or work of a kind to be practically useful to a Naval Officer. The interest on the remaining sum will be used to purchase for the winner of the joint prizes a gold medal having on the obverse a bust of the late Sir William Wharton and on the reverse a suitable inscription.

The two awards for the same object will be given annually under the names of "The Beaufort Testimonial and the Wharton Testimonial," thus associating the names of two Hydrographers of the Navy.

THE GOODENOUGH MEDAL AND FUND.

The Goodenough Fund—founded in memory of the late Captain James G. Goodenough, C.B., G.C.M., who died on 20th August, 1875, whilst serving as Commodore on the Australian Station, from wounds inflicted with poisoned arrows in an unprovoked attack by natives of Santa Cruz—consists of a sum of about 800*l*. The interest of this sum is employed annually in providing a Gold Medal, called the Goodenough Medal, which is conferred on the Sub-Lieutenant who, when qualifying for the rank of Lieutenant, passes the best examination of his year in Gunnery, provided he has also taken a first-class certificate in Seamanship. Any balance that remains after payment of expenses is also handed over to him.

THE GILBERT BLANE MEDAL.

In 1830 the late Sir Gilbert Blane, Baronet, formerly a member of the Board for sick and wounded seamen, established, with the sanction of the Board of Admiralty, a fund for the encouragement of Naval Medical Science, which is vested in the Corporation of the Royal College of Surgeons of London, in trust.

This Fund is employed for the purpose of conferring a gold medal annually on the Medical Officer who obtains the highest aggregate marks at the examinations for promotion to the rank of Staff Surgeon, the award being subject to the approval of the Presidents of the Colleges of Physicians and Surgeons respectively and the Director-General of the Medical Department of the Navy.

If in any year no Medical Officer passes a sufficiently meritorious examination to entitle him to the award of the Medal it is held over until the following year, but not more than two medals may be awarded in any one year.

If the unawarded Medals exceed four, their value is given to the Supplemental Fund for the children of Medical Officers.

CHADWICK NAVAL PRIZE.

A Trust, called the Chadwick Trust, has been created by the will and codicil of the late Sir Edwin Chadwick, K.C.B., that once in every five years the Trustees may present the sum of £100 and a Gold Medal, to be called the "Chadwick Naval or Military Prize," to such Officer of the Naval or Military Medical Services as shall during the preceding five years, have specially assisted in promoting the health of the men in the Navy or the Army, and shall be nominated for such presentation, in the case of a Naval Officer, by the Director-General of the Medical Department of the Navy.

THE NEWMAN MEMORIAL FUND AND PRIZE

The Newman Memorial Fund—founded in memory of the late Mr. Edward Newman, R.N., who died whilst serving as Chief Engineer of H.M. Dockyard at Portsmouth—consists of a sum of about 400*l*. The interest of this sum is employed annually in providing a prize consisting of books, scientific instruments, etc., which is conferred on the Lieutenant R.N., qualifying for Engineering duty, who takes the first place at the Examination in Practical Engineering held on the completion of his original course of specialising in Engineering.

SHADWELL TESTIMONIAL PRIZE.

The Shadwell Testimonial Prize, founded in 1888, in memory of the late Admiral Sir Charles F. A. Shadwell, K.C.B., who died 1st March, 1886, will be known as the "Shadwell Testimonial," and will consist of a Pocket Sextant, or other instrument (as funds will admit), of use in Navigation or Marine Surveying.

It will be bestowed annually on the Officer of a rank not higher than Lieutenant-Commander, and who has never been classed as an Assistant Surveyor, who has sent in through his Captain the most creditable plan of an anchorage, or other marine survey, accompanied with sailing directions, recently executed by himself.

The award will be made on the plans received at the Admiralty during each calendar year, by a Committee consisting of the Hydrographer, the Assistant Hydrographer, and Surveying Officer in charge of the Chart Branch at the Admiralty; and they will be empowered to make no award, should they judge the plans received during the year not to be sufficiently meritorious.

In case of co-operation in the production of a plan, a junior officer, who has assisted materially in its construction, may participate in the reward, should the funds be sufficient.

The first award was made on the plans received during 1889.

THE RYDER MEMORIAL FUND AND PRIZE.

The Ryder Memorial Fund—founded in memory of the late *Admiral of the Fleet, Sir* Alfred Phillipps Ryder, K.C.B., who died on the 30th April, 1888—consists of a sum of about 160*l*. invested in Government securities.

The dividend arising from this sum is employed annually in the provision of a prize of a book or books, to be awarded to the Lieutenant who takes the first place in French at the annual examinations in foreign languages, a colloquial knowledge of the language being necessary to render a candidate eligible for the award of the prize

The Ryder Prize may be withheld in any year if considered advisable.

PRIZES, TESTIMONIALS, &c.—*continued.*

THE COMMANDER EGERTON PRIZE.

This prize was founded in 1901 in memory of the late Commander Frederick Groville Egerton, R.N., who was mortally wounded on the 2nd November, 1899, in the defence of Ladysmith, whilst acting in the execution of his duty.

The dividends arising from a sum of £500 given by the Relatives and invested in Government securities will be employed in providing the prize, to be called "The Commander Egerton Prize," which will be awarded annually, at the discretion of the Admiralty to the Officer who, when qualifying for Gunnery Lieutenant, passes the best examination in practical Gunnery.

RONALD MEGAW MEMORIAL PRIZE.

This Prize was founded in 1906 in memory of Midshipman Ronald Megaw, who was killed accidentally on the 11th November, 1904, while at General Quarters on Board H.M.S. "Montagu."

The interest on a sum of £1,000, given by the Father, and held upon trust by the Admiralty, is employed in providing a prize, consisting of a Presentation Sword and its accoutrements, and selected books or instruments, to be awarded annually to the Sub-Lieutenant who obtains the highest place during the preceding year in the various examinations prescribed for Officers qualifying for the rank of Lieutenant.

THE GRAHAM NAVAL HISTORY PRIZE.

This Prize was founded in 1909 by Lady Graham in memory of her husband, Admiral Sir William Graham, G.C.B., formerly Captain of H.M.S. "Britannia," Training Ship for Naval Cadets.

The interest on a sum of £252 Government Stock, held upon Trust by the Admiralty, is employed in providing a Prize for the Cadet of the 4th, 5th, or 6th Term at the Royal Naval College, Dartmouth, who obtains the highest place in a voluntary examination on a special book or period of Naval History.

The Prize consists of books, instruments, accoutrements or other articles selected by the successful competitor, subject to the discretion of the Captain of the College.

THE OGILVY MEDAL.

This Medal was instituted in 1912 in memory of the late Captain Frederick Charles Ashley Ogilvy, R.N., who died on the 18th December, 1909, from typhoid fever, while in command of H.M.S. "Natal."

The dividends arising from a sum of about £240 given by Officers of His Majesty's Navy and also certain friends and relatives are employed in providing a medal, to be called "The Ogilvy Medal," which is awarded annually, at the discretion of the Admiralty, to the Officer who takes the first place in the examination to qualify for Torpedo Lieutenant. Any balance that remains after payment of expenses may be handed over to the winner of the medal at the discretion of the Admiralty.

KING GEORGE PRIZE SCHOLARSHIPS.

In accordance with the wishes of H.M. the King that the greater part of the Fund subscribed for the purpose of commemorating His Majesty's Coronation by subjects of His Majesty bearing the Christian name "George" in all parts of the Empire should be utilised for the benefit of junior Officers of the Royal Marines who may find difficulty in meeting the cost of the final stage of their military training, the sum available was invested and the income arising therefrom was devoted to the institution of Scholarships termed the "King George Prize Scholarships." One Scholarship is awarded each year to the Officer in the Royal Marines who, as a result of the annual competitive examination, is selected by the Admiralty for admission to the Military Staff College at Camberley.

Each Scholarship is tenable for two years and ordinarily consists of half the net income for the year derived from the Fund, estimated approximately at £97 10s.

The first Scholarship was awarded in 1914.

ENTRY AND EXAMINATION OF OFFICERS.

NAVAL CADETS.

REGULATIONS FOR ENTRY AND TRAINING AT THE ROYAL NAVAL COLLEGES AT OSBORNE AND DARTMOUTH, AND ON BOARD THE TRAINING CRUISERS.

1. No nomination is required by a Candidate for a Naval Cadetship. All that is necessary is to send an application to the Assistant Private Secretary to the First Lord of the Admiralty. Applications should not be made until the Candidate has reached 12½ years of age.

2. Candidates must be of pure European descent, and the sons either of natural-born or naturalized British subjects. In doubtful cases the burden of clear proof will rest upon the parents or guardians of Candidates.

3. All Naval Cadets entered under these regulations are trained together until they pass for the rank of Lieutenant.

After passing for the rank of Lieutenant, they may be required to serve either as general service Officers or in one of the special branches, undertaking either Engineering, Gunnery, Torpedo, Navigation, or Marine duty.

As far as possible Officers selected for special service will be allowed to choose the branch in which they will qualify, subject to the proviso that all branches are satisfactorily filled.

Parents or guardians of Candidates for appointment as Naval Cadets must undertake for them that they are prepared to serve in any branch if required.

4. Parents or guardians are required to declare in writing their intention that the Candidate, if he obtains a Cadetship, shall adopt the Navy as his profession in life; and it is subject to this undertaking that Candidates are selected for Cadetships. Every Cadet who enters the Royal Naval College must therefore be prepared to continue his training so long as the Admiralty are satisfied with his progress, and parents are not at liberty to withdraw their sons at will.

On the entry of a Cadet, parents or guardians will be required to undertake that, in the event of his withdrawing or being withdrawn from the College, or from the Navy before being confirmed as a Sub-Lieutenant, they will pay to the Admiralty, if demanded, the sum of £25 per term in respect of each term passed by him at the R.N. Colleges, Osborne and Dartmouth, from the date of his entry to the date of his withdrawal, as a contribution towards the balance of the cost of his training and maintenance not covered by the annual payment of £75 mentioned in para. 16.

This undertaking does not apply to Cadets withdrawn at the request of the Admiralty.

5. Entries take place three times a year, in January, May, and September

Candidates for entry in January must be more than 13 years and 4 months but not more than 13 years and 8 months of age on the preceding	1st December.
Do. do. May	do. 1st April.
Do. do. September	do. 1st August.
e.g., Candidates born on or between—	Eligible for entry in—
1 December (1902) and 31 March (1903)	September (1916)
1 April (1903) and 31 July (1903)	January (1917)
1 August (1903) and 30 November (1903	May (1917)

6. All Candidates (except those being educated in the Colonies, who have received special Colonial recommendations under para. 10), will be required to present themselves before a Committee, which will interview each applicant separately.

The applications must be received at the Admiralty:—

For the January entry	before 1st October.
Do. May do.	do 1st January
Do. September do.	do. 1st May.

Appointments to Naval Cadetships are made by the First Lord from among Candidates recommended by the Committee, and all such appointments are subject to the Candidate passing a Medical Examination (*vide* par. 8) and a Qualifying Examination in educational subjects (*vide* para. 9).

The fact, however, of a Candidate being invited to appear before this Committee is not to be understood as in any degree implying that he will necessarily be chosen to attend the qualifying examination.

The Interview Committee will sit shortly before the date fixed for each Qualifying Examination.

* Candidates are eligible only for one Interview and Qualifying Examination.

7. The Qualifying Examinations are held in December, March and July, and the appointments of successful candidates date from the 15th January, 15th May, 15th September, following respectively.

8. Every Candidate must be in good health, and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any

* Candidates, however, who were unsuccessful under the old regulations may again present themselves under the new rule as to age which is stated in paragraph 5.
Should any case occur where a selected Candidate is prevented by illness from attending the Qualifying Examination, the Admiralty will consider whether special arrangements can be made for him to be examined by the Head Master of the Royal Naval College, Osborne, at the beginning of the ensuing term.

predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and active in proportion to his age. Before undergoing the Qualifying Examination he is required to pass the medical examination according to the prescribed regulations, and must be found physically fit for the Navy.

It should be particularly noted that full normal vision—as determined by Snellen's tests—is required. A memorandum is issued by the Admiralty which gives details of the physical requirements of Candidates. A Medical Board of Appeal has been instituted to meet cases in which the Parent or Guardian of a Candidate is not satisfied with the result of the Official Medical Examination. This Appeal Board will consist of the Director-General of the Medical Department of the Navy, a physician nominated by the Medical Consultative Board, and a specialist in the particular defect which caused the disqualification of the Candidate, to be selected from a list drawn up by the Consultative Board.

In the event of the rejection on medical grounds of a Candidate who would otherwise have been selected for the Qualifying Examination, the Parent or Guardian will at once be informed that, subject to the payment of a fee of four guineas, the Candidate may present himself for re-examination by the Appeal Board, and that if an appeal is desired notification must be made by the Parent or Guardian to the Director-General of the Medical Department, Admiralty, within a week of the first Medical Examination. The notification must be accompanied by a cheque for four guineas made payable to the Accountant General of the Navy.

9. †The Qualifying Examination is in the following subjects:—

(1.) English (including writing from dictation and reproduction of the gist of a short passage twice read aloud to the Candidates.

(2.) History and Geography, with special reference to the British Empire.

(3.) Arithmetic and Algebra (two-thirds of the questions in this paper will be on Arithmetic. The use of Algebraic symbols and processes will be allowed).

Arithmetic. The simple and compound rules, avoirdupois weight, linear and square and cubic measures, the elementary mensuration of rectangular surfaces and volumes, measure of capacity (pints, quarts, gallons), the metric system (the metre, gramme, and litre, with their multiples and sub multiples), money (including the relationship of the cent to the dollar, and the centime to the franc), reduction, factors, the addition, subtraction, multiplication, division and simplification of vulgar fractions, non-recurring decimal fractions, simple proportion, ratio and percentage, simple interest.

Algebra. The meaning of algebraic symbols, substitution of values, easy identities, equations of the first degree, including simultaneous equations, verification of the solution of equations, problems leading to simple equations, multiplication and division by binomial operator, easy factors (excluding sum and difference of cubes), fractions with numerical denominators.

(4.) Geometry. The paper will consist of questions both on Practical and Theoretical Geometry.

All Candidates must be provided with a ruler graduated in inches and tenths and also in centimetres and millimetres, a small set square, a protractor, pencil compasses, and a hard pencil.

Any proof of a proposition will be accepted which appears to the Examiner to form part of a systematic treatment of the subject. Simple deductions from specified theorems will be set.

Proofs of the validity of constructions will not as a rule, be expected, but they may be asked for.

Practical Geometry. *Note.*—Schedules of the Geometry are attached to the regulations issued, and may be obtained on application to the Admiralty. The numbers in the Schedules correspond to those in the Geometry Schedule of the Common Examination for entrance to Public Schools, as reprinted from the Cambridge University Ordinances.

Theoretical Geometry. The facts stated in the following theorems, together with riders on them, but without formal proofs of the theorems:—B, 1—11. Formal proofs of the following theorems, together with riders on them:—B, 14—19, 21, 22.

(5.) French or German, with an oral examination, to which importance will be attached.

(6.) Latin (easy passages for translation from Latin into English and from English into Latin, and simple grammatical questions).

The list of successful Candidates will be published in alphabetical order. A certain number of successful Candidates who are highly recommended by the Interview Committee and who also show excellence in the Examination will receive "Honourable Mention," and will be distinguished by an asterisk in the list of successful candidates.

10. The Governments of certain Dominions and Colonies are allowed to recommend specially (through the Secretary of State for the Colonies) a certain number of Candidates annually from among boys belonging to families resident in the Dominions and Colonies.

Unless such Candidates, however, actually reside and receive their education in their own Dominion or Colony, they must be also recommended by the Interview Committee, and must pass the Qualifying Examination and the Medical Examination.

11. Successful Candidates who are the sons of Officers of the Royal Navy, Royal Marines or Army, who have been killed in action, or have died of wounds received in action, whether afloat or ashore, or have died through the destruction of their ship, or have been drowned or have suffered other violent death due directly and wholly to War service, or have died of disease attributable to active service, may be appointed as King's Cadets.

King's Cadets will be entitled to the following privileges in cases where the Admiralty are of opinion that substantial help is needed towards the expenses of their Naval training:—

(1) The grant of an outfit allowance of £40 on first entry.

(2) The remission of fees at Osborne and Dartmouth.

(3) The remission of private allowance and tuition allowance during his period of service until he has completed his examinations for the rank of Lieutenant.

In cases where the above conditions are fulfilled by Cadets, Midshipmen, or Acting Sub-Lieutenants already in the Service, the Admiralty may, at their discretion, authorise the remission of all future payments in respect of training fees, private allowance, and tuition allowance.

King's Cadets will be eligible for Compassionate Allowances as prescribed by the Regulations, but will not receive the Educational Allowance authorised by the Order in Council of the 29th February, 1916.

12. Naval Cadets will undergo a course of instruction in the Training Establishments for a period of rather less than four years. This period will include eleven terms, of which five terms will be at Osborne, and the remainder at Dartmouth. On passing out of the College at Dartmouth they will continue their training for a period on board a Special Training Cruiser and will then be sent to the sea-going Fleet as Midshipmen.

† NOTE.—Copies of the papers set at the examinations held in each year are printed by the Oxford and Cambridge Schools Examination Board, and may be obtained on application to the Secretary of the Admiralty free of charge. It should be noted, however, that the questions in papers set under these regulations will be slightly more advanced than those set prior to September 1913, in consequence of the age of entry being raised.

13 The following are the approximate dates for the beginning and the end of the three terms at the Colleges :—

At Osborne
16th January to 8th April,
8th May to 30th July,
19th September to 17th December.

At Dartmouth
16th January to 15th April,
8th May to 6th August,
19th September to 17th December.

The vacations at the Colleges are as follows :—

At Osborne.
Four weeks at Christmas,
Four weeks at Easter,
Seven weeks at Midsummer.

At Dartmouth.
Four weeks at Christmas,
Three weeks at Easter,
Six weeks at Midsummer.

14. The friends of the Cadets must be prepared to receive them during all the Vacations.

15. All Naval Cadets shall be subject to the Regulations for the time being in force respecting Cadets while at the Royal Naval Colleges at Osborne and Dartmouth and on board the Training Cruisers.

16. For all Cadets entering under these regulations payment will be at the rate of £75 per annum for the period under training at the Colleges, to be paid in sums of £25 every term in advance to the Cashier of the Bank of England on receipt of claim from the Accountant-General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting from among the Cadets entered on each occasion subsequent to November, 1913, a number not exceeding 25 per cent of the entries, with respect to whom the annual payment will be £40 only (to be paid in sums of £13 6s. 8d. every term in advance). A proportion of those admitted at the reduced scale will be sons of Officers of the Navy, Army, or Marines, or of Civil Officers under the Board of Admiralty, the reduced scale being reserved for such boys up to a maximum of 10 per cent. of the total entries on each occasion. The reduced scale will be allowed only in cases where the pecuniary circumstances of the parents are, in the opinion of the Lords Commissioners of the Admiralty, such as to justify it. *Forms* of application for admission at the reduced scale will be issued in respect of all candidates who are selected* after interview to attend the Qualifying Examination, and when duly filled in should be returned as soon as possible *by such parents as desire to make application for the reduced scale.*

Claims will be made upon the Parents or Guardians by the Accountant-General of the Navy for the sums payable as they become due, and the money should be at once remitted.

17. In addition to the above payments, any expenses incurred by a Cadet for clothing, sports, books, instruments, washing, &c., as well as the allowance of 1s. a week paid as pocket-money, are included in the personal account sent to the Parent from the College as soon as possible after the end of each term.

18. No pay is allowed by Government to the Cadets in the Colleges, except in the case of Cadet Captains, who receive a small weekly allowance.

The pay of Cadets in the Training Cruisers is 1s. a day, and that of Midshipmen is 1s. 9d. a day.

19. The fees specified in paragraph 15 will cease on the Cadet joining the Training Cruiser. Parents or Guardians will then be required to make the Cadet a private allowance of £50 a year until he reaches the rank of Acting Sub-Lieutenant, and thereafter a private allowance of £20 a year for so long as he remains an Acting Sub-Lieutenant with pay at the rate of 3s. 6d. a day.

20. The parent or guardian of every Cadet is required to provide outfit under the regulations in force.

21. All travelling expenses for Cadets are advanced by the Paymaster of the College, who will charge the sum to the Cadet's personal account

22. Inasmuch as the Cadets have a weekly allowance paid to them as pocket-money, and a charge is made to pay the expenses attending their amusements, it is unnecessary that their friends should give them any money except on joining, or on their return from the Vacations, and the amount should then be reasonable. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain.

23. Any valuable Gold Watches or Chains brought by Cadets to the Colleges will be taken from them and placed in security until the Cadets return home. Silver Watches may be used.

24. Arrangements are made for the conveyance from Portsmouth to Osborne of the Cadets who are joining the College for the first time. Such Cadets should assemble at the Dockyard Gates (near Portsmouth Harbour Station) shortly before 3 p.m. on the day appointed for joining. Cadets rejoining the College will be expected to make their own arrangements for doing so.

25 Cadets are to bring their Linen clean, and Clothes and Boots in good order, when they join the College, and also when they return from leave, and the outfit, as specified on the next page, must be complete. A list of the clothes left behind will be sent with the Cadets when they go on leave.

26. Cadets are not permitted to open accounts with Tradesmen. Parents and Guardians are requested not to allow their sons' outfitters to supply clothes or other articles without their authorisation.

27. Each Cadet on joining and on returning after the Vacations is required to produce a health certificate—signed by his parent or Guardian, *not earlier than the day before the Cadet's return*—to the effect that, so far as is known, he has not for at least three weeks immediately preceding his return been exposed to any infectious disease, or entered any house where such disease has existed. A certificate drawn up in the necessary Form, is sent to each Parent, and failure on the part of the Cadet to produce this certificate, duly filled up and signed, on his return will entail his *not being received.*

In the event of a Cadet being placed on the Sick List, information is always sent to his Parents or Guardians, who are also kept informed of the progress of the patient should the illness be in the slightest degree serious.

28. Letters relative to the Cadets should be addressed to :—"*The Commanding Officer*, Royal Naval College," or "*The Commanding Officer*, H.M.S. ———," and not to the Captain by name.

Parents or Guardians of Cadets must, in all cases of permanent change of residence, inform the Admiralty and the Commanding Officer of the College or the Cruiser without delay.

29 The course of study includes the following subjects :—

Mathematics, with Geometrical Drawing.
Physics and Chemistry.
Mechanics, and applied Mechanics with laboratory work.
Applied Electricity, with laboratory work.
Engineering, with workshop practice and Mechanical Drawing.
Seamanship, with Gunnery in the Training Cruiser.

* *Parents abroad will however, be furnished with forms of application, prior to this selection if they so desire.*

Navigation.

French or German.

English Grammar and Composition.

English Literature.

History, including Naval History.

Geography.

Bible Study.

Drill and Physical Training.

A large proportion of the time of the Cadets is given to the practical study of Engineering in the Workshops and Instructional Steamboats attached to the Colleges, and also in the Training Cruisers.

30. In all subjects of instruction, the principle will be followed of giving merit marks for current work. At the end of each term the Cadet's proficiency and progress will be tested partly by examination and partly by the marks gained for current work.

31. The passing-out examination of Cadets is representative of all subjects studied at the College, with the exception of Religious Knowledge, which does not form part of the official examination. Marks for work done during previous terms are combined with the marks directly awarded in the examination.

First, Second and Third Classes will be awarded, and the class obtained in passing out from the College counts afterwards towards promotion to the rank of Sub-Lieutenant, promotion being accelerated according to the following scale:—

For a First Class	-	2 months.
For a Second Class	-	1 month.

Time will also be awarded for the course in the Training Cruiser which will similarly count towards promotion to Sub-Lieutenant:—

For a First Class	-	1 month.
For a Second Class	-	½ month.

The greatest amount of time that can be gained on passing out as Midshipman is accordingly three months.

32. Cadets may be required to withdraw at any time if in the opinion of the Lords Commissioners of the Admiralty:—

(1) They fail to reach a satisfactory standard, or

(2) Their conduct is unsatisfactory, or

(3) They are unsuitable for the Naval Service.

33. It is to be distinctly understood that the period of training, including the time spent in the Training Cruiser, is a time of probation, and the parent or guardian of a Cadet is required to withdraw him immediately on the receipt of an official request for his withdrawal.

34. When a Cadet is found to be making insufficient progress a letter is sent to his Parent or Guardian warning him of the possibility of having to withdraw the Cadet unless a marked improvement takes place. This warning is generally issued a term in advance, to enable the Parent provisionally to make other arrangements for continuing the boy's education in case his withdrawal should become necessary.

By Command of their Lordships,

W. GRAHAM GREENE.

Admiralty, November, 1913.

2. Shortly before the end of each Term, the Committee of the "Conway" may nominate two Cadets from their training ship, for admission to the College as Cadets of the Royal Navy subject to their passing a qualifying examination and satisfying the conditions specified below.

Should the Committee, in addition to the authorised number of nominations, wish to recommend any specially desirable candidate, his case will receive consideration.

Each Cadet so nominated will be required to pass an examination shewing that he has reached the same general standard of training as is reached by Naval Cadets on leaving the Royal Naval College, Osborne.

3. The Examination will be conducted near the end of each Term, *i.e.*, about April, August and December, at the Royal Naval College, Osborne, and will include tests in practical knowledge of the use of tools and workshop processes as well as papers on the subjects dealt with in the Osborne curriculum.

7. Cadets entering under these regulations will be subject in all respects to the same discipline and conditions of service as other Cadets during their period of training at the R.N. College, Dartmouth, and will be liable to removal for the same causes.

On passing out, they will be treated in the same manner as the other Cadets, and will rank according to the time gained and their position on the list.

SPECIAL ENTRY OF NAVAL CADETS.

REGULATIONS FOR THE SPECIAL ENTRY OF NAVAL CADETS, WHICH WILL REMAIN IN FORCE AFTER THE YEAR 1916, UNTIL FURTHER NOTICE.

Note—The Regulations for the entry and training of Naval Cadets at the Royal Naval Colleges at Osborne and Dartmouth are contained in a separate document which can be obtained on application to the Secretary of the Admiralty, Whitehall, S.W. The scheme of entry through Osborne and Dartmouth is the main method by which Officers are admitted to the Royal Navy. A supplementary scheme of special admission, which is called the "Special Entry" Scheme, was instituted in 1913 *for a period of four years. This Scheme will be continued beyond the year* 1916 *until further notice. The Regulations regarding this "Special Entry" Scheme are contained in the present pamphlet.*

1. The number of Naval Cadets to be admitted under the following Regulations in June, 1916, will be about ninety. Subsequent entries will depend upon the requirements of the Service.

2. Candidates for admission must be not more than 18½ nor less than 17½ years of age on the 1st of June of the year in which the examination is held. No nomination is required. Applications should be made to the Secretary of the Admiralty, Whitehall, S.W., not later than the 1st April. A form of application to be filled in by the parent or guardian of the candidate may be obtained from the Admiralty.

3. Candidates must be of pure European descent, and the sons either of natural born or naturalised British subjects. In doubtful cases the burden of clear proof will rest upon the Candidate.

Candidates must be unmarried.

4. Applicants who satisfy these conditions will be invited to appear before a Committee at the Admiralty. This Committee will interview each Candidate and examine credentials furnished by the headmaster of the school he is attending or last attended. A report will be obtained beforehand from the headmaster for the information of the Committee as to the Candidate's conduct, abilities, past training and general promise of suitability. On the report of this Committee it will be determined whether the Candidate shall be admitted to compete. Candidates will be required to pass at the same time a Medical Examination, according to the prescribed regulations, as to their physical fitness for the Navy.

5. Every candidate must be in good health, and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and active in proportion to his age.

It should be particularly noted that full normal vision—as determined by Snellen's tests—is required for Candidates for Naval Cadetships. A memorandum is issued by the Admiralty which gives details of the physical requirements of Candidates. (*See page* 864.)

6. Candidates admitted to compete will present themselves for examination in June by the Civil Service Commissioners. Particulars of the examination can be obtained from the Secretary, Civil Service Commission, Burlington Gardens, W. (*See also* Appendix I. attached.)

By arrangement between the Admiralty and the War Office a candidate who is admitted to compete in the examination for special entry as a Naval Cadet may, if he so desires, and provided he fulfils all the necessary conditions, present himself at the same time for admission to the Royal Military Academy, Woolwich, or Royal Military College, Sandhurst, or to Supplementary first appointments in the Royal Marines, in which case he must express

Digitized by Google

definitely his order of preference* before the examination has begun. For particulars of the conditions of entry to the Royal Military Academy and Royal Military College, application should be made to the Secretary, Civil Service Commission.

Regulations for Supplementary first appointments in the Royal Marines may be obtained from the Secretary of the Admiralty. *(See page 864.)*

7. A list of successful candidates in order of merit will be published by the Civil Service Commission.

8. Successful Candidates who are the sons of Officers of the Royal Navy, Royal Marines or Army, who have been killed in action, or have died of wounds received in action whether afloat or ashore, or have died through the de truction of their ship, or have been drowned or have suffered other violent death due directly and wholly to War service, or have died of disease attributable to active service, may be appointed as King's Cadets.

King's Cadets will be entitled to the following privileges in cases where the Admiralty are of opinion that substantial help is needed towards the expenses of their Naval training:—

(1) The grant of an outfit allowance of £40 on first entry.

(2) The remission of private allowance and tuition allowance.

In cases where the above conditions are fulfilled by Cadets, Midshipmen or Acting Sub-Lieutenants already in the Service, the Admiralty may, at their discretion, authorise the remission of all future payments in respect of private allowance and tuition allowance.

King's Cadets will be eligible for Compassionate Allowances as pre-cribed by the Regulations, but will not receive the Educational Allowance authorised by the Order in Council of the 29th February, 1916.

9. Successful Candidates will be appointed as Cadets to undergo a course of training for a period of 1½ years. During this period they will be accommodated on board a cruiser, part of the instruction being given on board and part on shore.

On completing this course, and passing out satisfactorily, they will join the Fleet as Midshipmen. They will become Midshipmen later in age than Cadets who enter through Osborne, but their services in that rank will be shorter, with the general result that except for the effect of the accelerated promotion which they may obtain by doing well in their final examinations, their age will usually be about a year more on attaining the rank of Lieutenant. This will be no bar to their advancement according to merit. The same subsequent career will be open to them as to Officers who have entered the Navy through Osborne and Dartmouth.

10. Naval Cadets under training will be subject to the Regulations for the time being in force respecting such Cadets.

11. Parents or Guardians are required to make a private allowance of £61. per annum to Cadets from the time they join the Naval Service until they reach the rank of Acting Sub Lieutenant (namely for a period of about 3 years and 4 months) and thereafter a private allowance at the rate of £20. a year for the period (usually not exceeding two months) that they remain Acting Sub-Lieutenants with pay at the rate of 3*s.* 6*d.* a day before becoming Sub-Lieutenants. On reaching the rank of Sub-Lieutenant, an Officer is required to provide himself with the uniform of a Commissioned Officer.

12. Cadets will be paid 1*s.* a day from the time of entry until they become Midshipmen, when their pay will become 1*s.* 9*d.* a day. On reaching the rank of Sub-Lieutenant an Officer will be paid 7*s.* 6*d.* a day. The commencing rate of pay of a Lieutenant, reached after at most two years as Sub-Lieutenant, is 10*s.* a day.

A Sub-Lieutenant can meet his mess and other necessary expenditure on the pay of 7*s.* 6*d.* a day.

13. The parent or guardian of every Cadet is required to provide outfit under the regulations in force. The outfit, together with a sextant, costs about £60.

14. All travelling expenses for Cadets are advanced by the Paymaster of the Naval Establishment to which they are attached, but will be charged to the Cadet.

Such money as may be required by Cadets for any special circumstance will be advanced by the Paymaster under the authority of their Commanding Officer.

15. Parents or Guardians of Cadets must, in all cases of permanent change of residence, inform the Admiralty and the Commanding Officer of the Ship in which their sons are serving.

16 Cadets may be required to withdraw at any time, if in the opinion of the Lords Commissioners of the Admiralty—

(1) they fail to obtain a satisfactory standard, or

(2) their conduct is unsatisfactory, or

(3) they are considered unsuitable for the Naval Service.

17. It will be open to Officers, after reaching Commissioned rank, to volunteer for service in any one of the special branches, undertaking either Navigation, Gunnery, Torpedo, or Engineering duty.

By Command of Their Lordships.

W. GRAHAM GREENE,

Admiralty, 1913.

OUTFIT.

The outfit required on joining is the same as given on pages 861-862 for a Cadet in the Training Cruiser.

SEXTANT.

Cadets after joining will be required to procure a Sextant. The regulations as to Sextants are given on page 862.

PHYSICAL REQUIREMENTS FOR CANDIDATES FOR COMMISSIONS IN THE ROYAL NAVY.

With a view to preventing Candidates who may be physically unfit for His Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner, to whom the following list of defects which cause rejection may be submitted for guidance.

It is to be understood that this private examination is merely suggested as a guide for intending Candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular Official Physical examination.

† *i.e.*—Seven teeth defective or deficient in persons under 17 years of age on the date of entry, ten defective or deficient teeth in persons above the age of 17—a tooth being considered as defective when it cannot be made permanently serviceable by dental repair. Credit is also given for teeth which have not erupted. Candidates must, however, possess some sound opposing molars and incisors. The numbers given above are intended as a general guide, and are not necessarily strictly adhered to, provided the general condition of the teeth is good.

ROYAL NAVAL AIR SERVICE.

REGULATIONS FOR THE SPECIAL ENTRY OF OFFICERS INTO THE ROYAL NAVAL AIR SERVICE.

1. The following regulations are for the admission of candidates from civil life into the Royal Naval Air Service for service for a limited number of years.

2. As a general rule candidates for admission must not be more than 25 nor less than 18 years of age on date of application.

3. Employment in the first instance will be for four years, after which period officers entered under these regulations will pass into the Reserve for a further period of four years' service, unless their term of active service is extended or renewed. On completion of the first year of their engagement they may, if considered suitable, be allowed to extend their original engagement to a total of 6 years' continuous service; after 4 years' service to a total of 8 years; and after 6 years' service to a total of 10 years; or alternatively they may be permitted to renew their engagement on its completion in the ordinary course. The Admiralty reserve the right of offering further continuous service after 10 years, if their Lordships see fit to do so. In all cases active or continuous service will be followed by 4 years' service in the Reserve. At present officers are only entered for the period of the war, and no applications for transfer to the permanent list can be considered until the termination of hostilities.

4. The service will consist of employment in connection with any type of aircraft in any part of the world, either ashore or afloat.

5. Candidates selected will be entered as Probationary Flight Officers, Royal Navy, and will be granted commissions as Flight Sub-Lieutenants when duly qualified.

6. Applications for admission should be made to the Secretary of the Admiralty, Whitehall, S.W. The form of application is to be filled in by the parent or guardian of the candidate, if he is not above the age of 21. These forms may be obtained from the Secretary of the Admiralty.

7. Candidates must be of pure European descent, and the sons of natural born British subjects. In doubtful cases the burden of clear proof will rest upon the candidate.

8. No nomination is required.

9. Applicants who satisfy these conditions will be invited to appear before an Air Service Committee, who will interview each candidate, and examine credentials, which will have been furnished beforehand by the candidate. Details of the credentials required will be given in the application form referred to above. They will include reports from the headmaster of the last educational establishment the candidate attended, from persons under whose authority the candidate may have been during the preceding several years, or from persons who are well acquainted with the character of the candidate. The Committee will decide therefrom, on the suitability or otherwise of the candidate with regard to his abilities and general character; and will submit their recommendations to the Lords Commissioners of the Admiralty for decision.

10. Candidates will be required to pass at the same time a medical examination according to the prescribed regulations as to their physical fitness for the Naval Air Service.

11. Every candidate must be in good health and free from any physical defect of body, impediment of speech, defect of vision or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and a good athlete. It should be particularly noted that full normal vision as determined by

nellen's test is required for candidates for the Naval Air Service. A memorandum is issued by the Admiralty which gives details of the physical requirements of candidates.

12. If candidates are required by the Admiralty to obtain their Royal Aero Club pilot's certificate at a private school at their own expense, the sum of 75*l.* or such lesser sum expended by them in their tuition, will be repaid them by the Admiralty on their obtaining their certificate. Such payment will not be made until after a reasonable period of probation, and will depend upon a satisfactory report being received from the Commanding Officer under whom the officer is serving. If a candidate is permitted to resign within four years of entry he may be required to refund this sum or part of it. Should a candidate fail to obtain his certificate within a reasonable time his name will be removed from the list.

13. Candidates on appointment as Probationary Flight Officers, Royal Navy, will be appointed to undergo a course at one of the Royal Naval Air Service Instructional Establishments.

14. This course will last about four months, and will consist of practical and theoretical instruction in various branches of Air work. On the completion of this course, officers will be required to graduate.

15. Graduation will depend upon qualification in the following subjects:—

(*b*) Aerial engines and construction of Aircraft.

(*c*) Navigation (including charts, compass, map reading and meteorology).

(*d*) Gunnery (including bombs and sights, aerial guns, rifle and squad drill).

(*e*) Wireless Telegraph Signals and aerial photography.

16 Officers will be required to obtain 85 per cent. of marks in any group of subjects to qualify for a 1st class certificate for that group, and 60 per cent. of marks in any group will be the minimum necessary for qualifying in that group. Officers will be allowed to count half a month's seniority for each 1st class certificate obtained except in the case of Group (A), for which one month will be given. An officer who obtains five 1st class certificates will thus gain three months' seniority.

17. An officer who fails in any group of subjects will be given further instruction, with re-examination after one month. Officers who fail in any group cannot gain seniority by obtaining 1st class certificates in other groups.

18. An officer's seniority as Flight Sub-Lieutenant will date from the date of graduation except in the case of officers allowed to count time for 1st-class certificates, whose seniority will be ante-dated in accordance with the amount of time gained.

19. The candidate, on completion of the school course, will be attached to an Air Station or Cruiser, and will be required to undergo an advanced course in seaplane, aeroplane, or airship work, during which time he will also receive instruction in naval matters, machine gun drill, seamanship and boat work, and other special subjects connected with the Naval Air Service.

20. Probationary officers may be required to withdraw at any time if in the opinion of the Lords Commissioners of the Admiralty—

22. Any officer who at any time is found to be unfitted for the duties of the Royal Naval Air Service will be liable to discharge to the Reserve or from the Service. This will not necessarily indicate that any blame is attributable to the officer. The special nature of the duties peculiar to the Air Service renders essential a very high standard of mental and physical fitness.

23. *Reserve Service.*—Officers not desirous of completing their active service may, at the discretion of the Admiralty, be permitted to transfer to the Reserve.

24. Officers of the Royal Naval Air Service will be graded in one of the following ranks:—

Full flying pay at the rate of 8*s.* per diem will not be payable until the date on which an officer graduates, notwithstanding that he may have gained time.

27. Whilst serving in the Royal Naval Air Service officers will rank and take command according to their grade.

28. If messing and accommodation is not provided for them officers will receive lodging and provision allowance in lieu as payable to officers of the Royal Navy.

29. Whilst messed and accommodated they will be required to pay the same mess subscriptions, &c., as are paid by officers of the Royal Navy.

30. Officers will be required to provide themselves with such uniform as is established for the Royal Naval Air Service.

(Gentlemen entered for temporary service are not eligible for the gratuities stated in paragraphs 34 and 35.)

36. Officers injured on duty, but not while actually flying, will be treated as regards wounds, pensions and gratuities in the same manner as officers of corresponding rank in the Military Branch injured on duty, but not in action.

37. The widows and children of officers dying whilst in the Royal Naval Air Service will, subject to the completion of the necessary period of commissioned service on the active list, be eligible for pensions and compassionate allowances under the same conditions and on the same scales as officers of corresponding rank in the Military Branch of the Royal Navy; but in the event of an officer's death being attributable to an injury sustained whilst flying, either on duty or when undergoing a course of instruction at one of the Instructional Establishments, *and* occurring within seven years of the date of such injury, the award of pensions, gratuities or compassionate allowances to the officer's widow and children or other relative will be made, irrespective of the length of service, under the conditions applicable to the case of officers of corresponding rank in the Military Branch of the Royal Navy killed in action. In the event of death resulting from an injury sustained on duty, but not whilst flying, any pensions and allowances awarded to dependent relatives will be on the scale and subject to the conditions laid down for officers of their corresponding rank in the Military Branch whose deaths are attributable to injuries received on duty, but not in action.

38. Probationary Flight Officers will, if injured whilst flying, either on duty or when undergoing a course of instruction at any of the Instructional Establishments, or privately with the permission of the Admiralty, be eligible for pensions and gratuities under the same conditions and on the same scales as sub-Lieutenants, Royal Navy, wounded in action, and in the event of death occurring as the result of such injury within seven years, pensions, &c., will be awarded to the officer's widow and children or other relative under the conditions applicable in the case of Sub-Lieutenants, Royal Navy, killed in action or dying of wounds received in action. REGULATIONS FOR TEMPORARY APPOINTMENT OF NAVAL INSTRUCTORS FOR SERVICE IN H.M. FLEET.

Admiralty, May, 1915.

In view of special conditions which have arisen in consequence of the war, the Admiralty have decided to enter a number of Naval Instructors for temporary service.

In general it is anticipated that such service will not extend beond four years; but it is probable that some of the officers who enter for temporary service may have the opportunity, should they desire it, of remaining on a permanent footing.

Candidates must have had an academical training and be proficient in mathematics. A knowledge of mechanical or physical science is desirable.

Those who are selected will be appointed to the Royal Naval College, Greenwich, for a course of instruction in Navigation and Nautical Astronomy, lasting not more than six months. During this probationary period they will rank as Acting Naval Instructors, and will be entitled to wear uniform. On qualifying in the subjects of the course they will receive Commissions as Naval Instructors, the Commission being dated back to the date of entry. Any officers who fail to qualify within 6 months will be discharged.

The pay from the date of entry wi'l be at the rate of 12s. a day.*

In addition to this, each Naval Instructor entered for tempory service will be entitled, when qualified and appointed to a ship, to receive a "tuition" allowance at the rate of £5 per annum for each Junior Officer under his instruction.

He will also receive a messing allowance of 2s. a day for the period of the war.

On discharge (except for misconduct or incompetence) he will receive a gratuity of £200 after two years' sea service, £300 after three years' sea service, or £400 after four years' sea service.

*During prolonged sickness or extra leave half pay of 6s. a day will be allowed.

REGULATIONS FOR ENTRY OF CANDIDATES FOR COMMISSIONS IN THE MEDICAL DEPARTMENT OF THE ROYAL NAVY.

Admiralty, May, 1914.

1. Every Candidate for admission into the Medical Department of the Royal Navy must be not under 21 nor over 28 years of age on the day of the commencement of the competitive examination. He must produce an extract from the Register of the date of his birth; or, in default, a declaration made before a Magistrate, from one of his parents or other near relative, stating the date of birth.

2. He must declare:—

(1) His age and date and place of birth.
(2) That he is of pure European descent* and the son either of natural born British subjects, or of parents naturalised in the United Kingdom.
(3) That he labours under no mental or constitutional disease or weakness, nor any other imperfection or disability which may intefere with the most efficient discharge of the duties of a Medical Officer in any climate.
(4) That he is ready to engage for general service at home or abroad, as required.
(5) Whether he holds, or has held, any commission or appointment in the public services.
(6) That he is registered under the Medical Act, giving the date of his registration as a medical student, or of his beginning professional study.
(7) Whether he has previously been examined for entry in the Naval Service, and, if so, when.

3. The certificates of registration and birth must accompany the declaration, which is to be filled up and returned as soon as possible, addressed to the Director General, Medical Department, Admiralty, S.W., to permit of reference to the Candidate's Medical School.

4. The Dean or other responsible authority of such school will be requested by the Medical Director-General to render a confidential report as to the Candidate's character, conduct, professional ability and fitness to hold a commission in the Royal Navy.

5. The Candidate will then be interviewed by the Medical Director-General, and his physical fitness will be determined by a Board of Naval Medical Officers. The Medical Director General will then decide whether he may be allowed to compete.

6. If accepted, he will be eligible to present himself at the entrance examination which will be held twice a year. (*See* heading Examinations, section 16.)

7. The appointments announced for competition will be filled from the list of qualified Candidates, arranged in order of merit; but, should it at any time be considered expedient to grant Commissions beyond those periodically competed for, the Admiralty have power to admit annually not more than six Candidates according to requirements, specially recommended by the governing bodies of such Colonial Universities as may be selected and whose qualifications are recognised by the General Medical Council.

Candidates so proposed are to be approved by the Director-General of the Medical Department of the Navy.

They will have to pass a physical examination before a Board of Naval Medical Officers in their Colony, and will be required to register their qualifications on arrival in England. They will be allowed, if they wish it, to compete at the next examination for entrance, and take their position according to the order of merit. Should they decide not to compete they will be placed at the bottom of the list. It will, however, be in any case necessary for them to pass a qualifying test at the time of the usual half-yearly examinations, when they will be required to obtain a minimum of 50 per cent. of the total marks allowed in each Subject. In case of failure in this test examination the Admiralty will not undertake to defray the cost of the return journey to the Candidate's Colony, or other expenses thereby incurred.

8. A fee of £1 will have to be paid by each candidate to enable him to take part in the competition.

9. Candidates who have served in the Officers' Training Corps, and who are in possession of the

Certificates laid down in the regulations for that Corps will be credited at the entrance examination with additional marks as follows:—Candidates in possession of Certificate A will receive 1 per cent. and those who possess Certificates A and B, 2 per cent. of the maximum number of marks allotted.

10. A Candidate will not be allowed to compete at more than two examinations.

11. A Candidate successful at the entrance examination will be appointed as Acting Surgeon in the Royal Navy and will be required to pass through such courses of instruction as the Admiralty may decide. (*See* under the heading Examinations.) At the end of the courses the Acting Surgeon will be examined, and, after he has passed, will be given a commission as Surgeon in the Royal Navy. The commission will date from the day of passing the entrance examination. An Acting Surgeon who fails to qualify at the above examination, that is to say, who fails to obtain at least 50 per cent. of the marks in each subject at the examination at the end of the Greenwich and Haslar Courses, will, if he so elects, be allowed a second trial at the next examination, and, should he qualify, he will be placed at the bottom of his original list; but should he again fail, his appointment will not be confirmed, and he will be required to withdraw. During the period intervening between the two examinations he will be allowed no pay from Naval Funds, and the period will not be counted as service for either promotion, withdrawal with gratuity, or retirement after 20 years' service.

12. A gold medal, a silver medal and three Navy Regulation pocket cases will be awarded as prizes in connection with these examinations; and the Gold Medallist will have a distinguishing mark after his name in the Navy List, provided he obtains at least 75 per cent. of the aggregate maximum marks in the London and Haslar examinations combined.

13. A Candidate who at the time of passing the examination for entry into the Medical Branch of the Royal Navy holds or is about to hold an appointment as Resident Medical or Surgical Officer in a recognised civil hospital, may be allowed to serve in such civil appointment provided that the period of such service after the date of entry into the Royal Navy does not exceed one year. Pay from Naval funds will be withheld from Officers while thus serving, but the time concerned will reckon for increase of full and half pay while on the active list, and retired pay or gratuity on retirement or withdrawal, except that no Officer will be allowed to retire on a gratuity until he has completed four years' service exclusive of the time spent as Resident Medical or Surgical Officer. The eligibility of this appointment to count for time will be decided by the Medical Director-General.

14. The seniority of surgeons on entry will be determined by the sum total of the marks they obtain at the London examination and the examinations at the conclusion of their probationary period as Acting Surgeon. Their names will then be placed in the Official Navy List. Candidates who hold or are about to hold a post as Resident Medical Officer or Surgical Officer to a recognised civil hospital will retain the position in the list which they obtained on entry, and when their period of service as Resident Officer is over, they will join the next "Acting Surgeons' Course," and will be required to obtain qualifying marks. Surgeons entered without competition will take seniority next after the last surgeon entered at the same time by competition.*

15. Surgeons on entry are required to provide themselves with a regulation pocket case of instruments.

15a. Acting Surgeons under training may, if they wish, provide themselves with those articles of uniform only which are required for dresses No. 5 (Undress) and No. 7 (Mess Undress), omitting white trousers, sword and belt. On receiving commissions as Surgeons they must provide themselves with the complete outfit of uniform prescribed by the regulations.

Examination for Entry.

16. Candidates will be examined by the examining board in the following subjects:—

(*a*) Medicine, including medical pathology and therapeutics.

(*b*) Surgery, including surgical pathology and clinical surgery.

The examination will be partly written and partly practical, marks being allotted under the following scheme:—

Medicine.		Surgery.	
Paper - -	400	Paper - -	400
Clinical - -	400	Clinical -	400
Oral - - -	400	Oral - -	400
	1,200		1,200

No candidate shall be considered eligible who obtains less than 50 per cent. of marks in each subject. The examination will be held in London and will occupy four days.

The Regulations as to examination for and promotion to the higher ranks are included in the King's Regulations and Admiralty Instructions, while particulars as to pay, retirement, etc., are shewn in the Navy List under the Tables of Full and Half Pay, and under the Rules for Retirement.

Post-graduate Instruction and Examination for the Rank of Staff Surgeon.

17. The Post-Graduate Instruction of Naval Medical Officers will consist of two distinct courses:—

(I) A five months' course prior to advancement to Staff Surgeon;

(II) A second course of three months' duration for officers of not less than 14 years' seniority.

Course (I), which is compulsory for all Surgeons, will be followed by an examination before the Medical Examining Board in London, the successful passing of which will be a qualification for promotion to the rank of Staff-Surgeon. The course is to be taken when a Surgeon has between 4½ and 6½ years' seniority, and as near the date when the latter period is completed as the exigencies of the service admit. The courses will take place twice a year.

The subjects of study and examination will be—

Compulsory:—

(*a*) Clinical Medicine and clinical Surgery.
(*b*) Operative Surgery.
(*c*) Anæsthetics (practical).
(*d*) Ophthalmology.
(*e*) Clinical pathology.
(*f*) Hygiene.

Optional:—

(*g*) Throat, Nose, and Ear Diseases.
(*h*) Skiagraphy.

A Surgeon who fails to obtain a pass will be allowed a second trial, but will not have a second course of instruction. Should he again be unsuccessful, he will be compulsorily retired on attaining eight years' seniority, with such gratuity as the Admiralty may see fit to grant, but not exceeding £500.

Instruction in clinical pathology and hygiene will be given at the Naval Medical School; the remaining subjects will be studied at the "Dreadnought" Hospital and other civil hospitals in London, as may be arranged from time to time by the Medical Director-General of the Navy.

The Surgeons going through the course will be accommodated at the Royal Naval College, Greenwich, and will be under the general control of the President. Their instruction throughout will be under the immediate supervision of the Professor of Hygiene, appointed in charge of studies.

Course (II) is not compulsory, but is designed to afford senior officers the opportunity of refreshing their general knowledge of surgery and medicine, and of making themselves familiar with modern advances. There will not be any fixed syllabus of instruction or examination, but arrangements will be made in each case by the medical officer in charge of studies at Greenwich to meet individual requirements, and a report will be made by this officer to the Medical Director-General at the close of the course. The officers attending this second course will also be accommodated at Greenwich.

REGULATIONS RESPECTING THE ENTRY OF ASSISTANT CLERKS.

1. Appointments to Assistant Clerkships will be made by limited competition, with the following exception, viz.:—

One candidate will be nominated annually, who will be required to obtain such an aggregate of marks in Class I. as may satisfy the Civil Service Commissioners.

2. This candidate will be selected by the Board of Admiralty from sons of officers of the Navy or Royal Marines who have been killed in action or who have been lost at sea on active service, or killed on duty or who have died of wounds received in action or injuries received on duty within six months from the date of such action or injury, or who have performed long and meritorious service.

Except as regards exemption from the competitive examination, the candidate will be subject in all respects to these regulations.

All candidates, including the candidates for the service nomination referred to in para. 2, will be required to present themselves before a Committee, which will interview each candidate separately. The First Lord of the Admiralty will be guided by the recommendations of the Committee in his selection of candidates to whom nominations will be granted to compete at the examination for Assistant Clerkships.

Candidates will be required to bring with them to the interview certificates of good conduct from the masters of any schools at which they may have been educated during the two previous years, or, if educated at home, from their tutor or the clergyman of the parish in which they reside.

Candidates may be eligible by age for two examinations (see para. 4) but will only be interviewed once. Those candidates who are not successful in obtaining a nomination will not be eligible to attend before the Committee again.

Applications to have the names of candidates placed on the list should be addressed to the Assistant Private Secretary to the First Lord of the Admiralty. Candidates for the June Examination must apply before the 31st March, and candidates for the December Examination before the 30th September. No applications received after those dates will be entertained. Application should not be made until the candidate has reached the age of sixteen.

3. Two examinations for Assistant Clerkships will be held annually—in June and December—under the direction of the Civil Service Commissioners (address—Burlington Gardens, London, W.).

Candidates will be required to pay a fee of 1*l.* 10*s.* to the Civil Service Commissioners before the Educational Examination.

The Civil Service Commissioners will deal with all questions connected with such Examination, and will announce the results.

4. No candidate will be eligible for examination in June who is under 17 or over 18 years of age on the 15th July following, or for examination in December who is under 17 or over 18 years of age on the 15th January following. As proof of the candidate's eligibility in point of age, a Registrar's Certificate of Birth must be produced. A certificate of baptism alone will not be accepted.

Candidates will be allowed a deduction from age in respect of actual military service rendered in H. M. Forces during the war. An official certificate as to the period of service must be furnished.

5. The number of Assistant Clerks to be entered at each examination will be regulated by the requirements of the Service.

6. A candidate must be of pure European descent and the son either—

(1) of natural born British subjects, *or*

(2) of parents naturalised in the United Kingdom.

If any doubt arises upon this question the burden of clear proof that he is qualified will rest upon the candidate himself.

7. Candidates who may be successful at the educational examination will be required to pass the medical examination, according to the prescribed regulations, before the Medical Director-General of the Navy, and must be found physically fit for the Royal Navy.

They must be in good health and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease, or weakness of any kind, and in all respects well developed and active in proportion to their age. The cases of short-sighted candidates, in other respects fit, will be specially considered.

A Medical Board of Appeal has been instituted to meet cases in which the parent or guardian of a candidate is not satisfied with the result of the Official Medical Examination. This Appeal Board will consist of the Director-General of the Medical Department of the Navy, a physician nominated by the Medical Consultative Board, and a specialist in the particular defect which caused the disqualification of the candidate, to be selected from a list drawn up by the Consultative Board.

In the event of the rejection on medical grounds of a candidate, the parent or guardian will at once be informed that, subject to the payment of a fee of four guineas, the candidate may present himself for re-examination by the Appeal Board, and that if an appeal is desired notification must be made by the parent or guardian to the Director General of the Medical Department, Admiralty, within a week of the first Medical Examination. The notification must be accompanied by a cheque for four guineas made payable to the Accountant-General of the Navy.

With a view to preventing candidates who may be physically unfit for his Majesty's Service from incurring the inconvenience and expense of preparing for commissions in Royal Navy, it is suggested that they should undergo examination by the medical adviser of the family, or by any other qualified medical practitioner. A list of the defects which cause rejection appears on page 864.

It is to be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular official Physical Examination.

8. Candidates if nominated will be required to forward to the Secretary of the Admiralty (C. W. Branch) a certificate of ability to swim.

9. Candidates will be examined in the following subjects in Class I., and must obtain such an aggregate of marks as will satisfy the Civil Service Commissioners. They will also be permitted to present themselves for examination in two other subjects under Class II.:—

Class I.	MARKS.
1. Arithmetic, including Mensuration	500

An Assistant Clerk is rated Clerk after a year's service provided he obtains the certificate of competency required by the regulations.

It is further desirable that the parents or guardians of an Accountant Officer should be prepared to assist him pecuniarily to the extent of £100 on his promotion to the rank of Assistant Paymaster, at about 21 years of age, to enable him to obtain the uniform and other gear necessary for a Commissioned Officer.

6. An open competitive examination is held in April each year (for entry in the July following), which is conducted by the Civil Service Commissioners at the same time and in the same manner as the examination for Dockyard Apprentices.

7. The vacancies for appointment as Apprentices to the various trades in His Majesty's Dockyards (*vide* the Regulations for Dockyard Apprentices) will be partly filled by Candidates at this examination who fail to obtain appointments as Boy Artificers, provided they are sufficiently high on the Examination List, and are eligible in all other respects. If they wish to be considered Candidates for these apprenticeships they must make the necessary application before attending the examination, in the manner provided by the Regulations for Dockyard Apprentices.

8. The List of Candidates for appointments by open competition is kept at the office of the Civil Service Commissioners. All applications for the forms to be filled up by persons who wish to compete must be sent to the Secretary, Civil Service Commission, Burlington Gardens, London, W., on or after the 1st January in each year, *and care must be taken that the Forms when filled up reach the Civil Service Commissioners on or before the 1st March following* (or if that date should fall upon a Sunday or public holiday, then on or before the first day thereafter, on which their office is open), as no notice will be taken of forms received after that date.

CONDITIONS OF SERVICE UNDER TRAINING.

20. On entry Boy Artificers will be provided with a free outfit, and will be placed on the books of the Mechanical Training Establishment at Portsmouth or Devonport, where they will be attached for training. During their training Boy Artificers will be berthed and victualled in these Establishments, and will be subject in all respects to Naval Discipline. Under certain conditions, and at the request of their parents or guardians living in the immediate neighbourhood, Boy Artificers will be allowed leave to stay at their homes on alternate Saturdays and Sundays.

EDUCATION AND TRAINING.

22. The duration of the Training will be about four and a half years. During this period the boys undergo a course of general and technical education, in addition to workshop training. Boy Artificers who fail to make satisfactory progress or are guilty of persistent misconduct, may be discharged at any time.

26. On completion of this training they may be rated Acting Engine-Room Artificers 4th Class, if recommended by the Engineer Officer and approved by the Captain of their Ship, after which they will follow on the lines of other Engine-Room Artificers of the Royal Navy, as laid down in the King's Regulations.

ENTRY OF DOCKYARD APPRENTICES.

EXTRACTS FROM THE REGULATIONS FOR THE ENTRY OF APPRENTICES TO THE VARIOUS TRADES IN HIS MAJESTY'S DOCKYARDS AT HOME.

Admiralty, S.W., November, 1915.

1. Vacancies for appointments as Apprentices to the various trades (including Shipwrights, Engine, Ship and Electrical Fitters, Boilermakers, Coppersmiths, Founders, Joiners, Painters, Patternmakers, Plumbers, Ropemakers, Sailmakers, Smiths, &c.) in His Majesty's Dockyards at Chatham, Sheerness, Portsmouth, Devonport, Pembroke, Rosyth and Haulbowline are open to public competition, and Examinations for these appointments are held in April in each year (see par. 5). The number of vacancies in the respective trades in each Dockyard will be fixed before each examination.

2. The Lists of Candidates for these appointments are kept at the office of the Civil Service Commissioners. All applications for the Forms to be filled up by persons who wish to compete must be sent to the *Secretary, Civil Service Commission, London, W.*, on or after the first of January in each year. Care must be taken that the Forms when filled up reach the *Civil Service Commissioners* on or before the 1st March *following* (or if that date should fall upon a Sunday or public holiday, then, on or before the first day thereafter on which their office is open), as no action will be taken on Forms received after that date.

No Candidate will be allowed to compete at any one examination for entry as an apprentice at more than one Dockyard.

3. The Candidates, who must be the sons of British subjects, *must be not less than Fifteen nor more than Sixteen years of age on the first day of May in the year in which they are examined.*† Evidence of age and character will not be required before the examination, but Candidates successful in it will not be eligible for appointment unless they satisfy the Admiralty on these points.

4. Every Candidate entered must be in good health and of sound constitution, and be free, as far as can be ascertained, from any disease or defect that would unfit him for the duties of an Artificer. His hearing must be unimpaired; and the sight of both eyes must be sufficiently good for the performance of any work that may be required of him. He will be required to pass a medical examination.

The medical examination of the Successful Candidates will be held as soon as possible after the result of the Educational examination is known.

Candidates will be medically examined at the Royal Naval Rendezvous, 7 Whitehall Place, London, or at a naval port or establishment, or on one of His Majesty's ships, which will be selected by the Admiralty as near as possible to their place of residence. All Candidates who at the time of their Medical examination cannot produce Certificates to the satisfaction of the Examining officers that they have been re-vaccinated, must be re vaccinated before they can be considered eligible for entry.

† Candidates whose Fifteenth Birthday Anniversary falls on 1st May will be eligible, but those whose Sixteenth Birthday Anniversary falls on 1st May will not be eligible.

5. The Educational Examination will be held by the Civil Service Commissioners in London and Edinburgh, as well as at the several Dockyards, and will take place in the month of April in each year. The exact date may be ascertained by application to the Secretary, Civil Service Commission, Burlington Gardens, London, W., on or after the 1st January in each year. A fee of 2*s.* 6*d.* will be required from each Candidate attending the Examination.

7. Candidates must obtain such an aggregate of marks in the examination as a whole as may indicate in the judgment of the Civil Service Commissioners a competent amount of general proficiency.

8. Candidates will be informed by letter from the Civil Service Commission of the Result of their Examination.

Those Candidates up to the required number who obtain the greatest number of marks in the subjects named in paragraph 6 will be eligible for appointment as Apprentices, and they will be allowed to select their trades according to their position on the Examination List.

9. Apprentices will be bound by Indentures to serve for six years, and no Candidate will be entered unless some relative or friend is able and willing to undertake the duty of the second party to the Indenture for the support, &c., of the Apprentice during his Apprenticeship. No lodging or maintenance for Dockyard Apprentices is provided by the Admiralty, except as stated in paragraph 12.

10. On the expiration of their period of service Apprentices will receive a certificate as to their character and conduct, the progress they have made in their trade, and in the knowledge of the subjects prescribed for Dockyard Apprentices. Should this certificate be in all respects satisfactory, they will, subject to the approval of the Superintendent, be entered for a period of two years as journeymen, and, subject to their good behaviour, will not under ordinary circumstances be discharged during that time; eventually they will be merged with the general body of hired workmen in the respective trades.

The details of the School Training of Apprentices and other particulars are given in the Regulations which may be obtained on application to the Secretary to the Admiralty, or to the Superintendent of one of His Majesty's Dockyards (see par. 1).

In the case of all other Marine Warrant Officers, however, Widows' Pensions and Compassionate allowances are awarded under the regulations and on the scales laid down from time to time for the widows and children of Warrant Officers of H.M. PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

1. Widows of Officers of the Royal Navy, and the Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the attached table, and subject to the following regulations:

2. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

3. The Pensions of all Widows shall commence from the day following that on which their husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. His Majesty's Orders in Council increasing rates of Pension, or Compassionate Allowances, are not retrospective in their operation, and only affect the families of such officers as may be on the Active List at the date of such Orders in Council, or subsequently thereto.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of pension to which she would have been entitled if living shall not be allowed to her representatives.

6. The Pensions authorised by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—the *ordinary* Pension will not be granted to Widows whose private incomes may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer,—and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

The Widows of Naval Officers placed on permanent Half Pay or on the Retired or Pension List, on or after the 2nd August, 1910, on account of misconduct, after having completed not less than 20 years counting towards retirement or pension, may at the discretion of the Admiralty be granted pensions, provided that a deduction of not less than 10 per cent. shall have been made from the Retired Pay or Pensions to which, but for their misconduct, these Officers would have been entitled. In such cases the Widow's Pension will be reduced by half the percentage by which the husband's Retired Pay or Pension has been reduced.

Widows of retired Officers, or others formerly in the Royal Navy, having been allowed to resign their Commissions, who have been called out or have volunteered for service in case of war or emergency and have lost their lives from causes attributable to the Service, may be allowed pensions, and their Children Compassionate Allowances on the special scale applicable to the rank held by the Officer at the time of his death, notwithstanding that he may have married whilst on the Retired List or after resignation of his Commission, and subject to the provisions of the Commutation Acts of 1871 and 1882.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband married after the age of 60 years, except Commissioned Warrant Officers, and Warrant Officers pensioned before 1st October, 1875, in whose case the limit of age is 50.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon, provided that he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign state unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty may however, grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow and provided it be clearly shewn that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof, and Widows who, in consequence of second marriage, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenant Commanders or Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commuting his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

Note.—Widows of Officers married after partial commutation will only be granted a proportion of the pension for which they would otherwise have been eligible.

x. If marriage took place after the Officer was removed from the Active List. This regulation to be only applicable to Officers who retired after 10th November 1886, and is not to apply to Widows of Retired Officers or others called out or volunteering in case of war or emergency, who lose their lives from causes attributable to the Service.

xi. If her husband, being a Medical Officer, should retire or withdraw upon a gratuity.

8. The pensions of Widows whose private incomes may, after their pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 10th November 1886, are only entitled to the Pensions of their respective classes, in the event of their husbands having 10 complete years' seniority as Commissioned Officers on the Active List, except the Husband be killed in action, or lose his life in the execution of his duty. If, however, the Officer had five years' seniority on the Active List, was in good health when he married, and it be clearly shewn that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The restrictions as to service as Commissioned Officer on the Active List will not apply to:—(*a*) Officers retired before the 10th November 1886, such Officers being allowed to count their time as Commissioned Officers on the Active, Reserved, or Retired Lists as qualifying for eligibility for pension to their widows.

(*b*) Lieutenants, Engineer Lieutenants and Carpenter Lieutenants promoted to that rank from Commissioned Warrant Officers or Warrant Officers.

The Widow of a Mate, Commissioned Warrant Officer, Divisional Chief Officer of Coast Guard, or Chief Officer of an R.N.R. Battery, is only entitled to the rates applicable to those ranks should her husband have had one year's service in the rank, or should his death have been attributable to the Service; otherwise the rates applicable to Warrant Officers or to Chief Officers of Coast Guard Stations will be awarded.

The Widow of a Warrant Officer or Chief Officer of a Coast Guard Station with less than one year's service (acting time, if any, included) and confirmed in the rank, is not eligible for a Pension unless the Officer's death is attributable to the Service.

The Widow of a Head Schoolmaster who has been killed in action, or who has died of wounds received in action within 7 years of such wounds having been received, or who has died from illness brought on by fatigue, privation, or exposure incident to active operations before an enemy, within 7 years of his having been first certified to be ill, or who shall have completed not less than one year's continuous service as Warrant Officer at the time of his death, shall be granted a Pension, provided the marriage took place before the Officer attained the age of 45 years, and the Widow be certified as being left in necessitous circumstances and subject to the conditions laid down for the Pensions of other Officers' Widows, so far as they apply. The foregoing provisions are not applicable to Head Schoolmasters pensioned on or after the 10th January, 1910.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served Three Years on Full Pay.

If, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although no portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible, and provided as regards Officers retired after 10th November, 1886, that the marriage took place before the Officer left the Active List.

12. In all cases of a Widow re-marrying, her Pension shall be suspended from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage.

If a Widow, in consequence of re-marriage with a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible whichever is most to her advantage.

13. Every Officer, whether on Full, Half, or Retired Pay, shall,—in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations, notify his marriage *within one month* of its taking place, to the Admiralty, according to the Form given.

14. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated—or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves *in Scotland*, in presence of a Magistrate, according to the Form given, or a Decreet of Declaration of Marriage.

15. The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the rank and seniority of their husbands at the date when they were last on the Active List, except in the case of (i.) Captains who were advanced to the rank of Flag Officer whilst on the Retired List and who were Retired or Married before the 10th November, 1886, whose Widows are pensioned as the Widows of Flag Officers, and (ii.) Commissioned Warrant Officers retired after 1st April, 1896, with the substantive honorary or relative rank of Lieutenant, Carpenter Lieutenant, or Engineer Lieutenant, whose Widows are pensioned as the Widows of Junior Lieutenants.

The widows of Paymasters-in-Chief who attain that rank on retirement will be awarded the same rate of Pension as widows of Paymasters-in-Chief on the Active List.

The same rate may also be awarded to the widows of Fleet Paymasters who are still on the Active List, provided that at the time of their death they have reached the age for optional retirement, and were eligible by service for, and would in the ordinary course have been granted, the rank of Paymaster-in-Chief, on retirement.

16. *Widows of Marine Officers.*

(a) Officers retired before 29 June, 1882.

The General Rules for the grant of Pensions to the Widows of Naval Officers are applicable to the cases of Widows of Marine Officers, except where otherwise stated in these Regulations.

In computing the period on the list of Commissioned Officers necessary to render Widows eligible for Pensions, in the case of Marine Officers who have been promoted from the ranks, three years in the ranks shall be allowed to reckon as two years in commission towards such qualifying period; and if under this rule the time is still insufficient, the Admiralty may, at their discretion, award a Pension notwithstanding, provided the actual service in all ranks amounts to the period required in the cases of other Officers.

The Widows of Marine Officers who hold Brevet or Honorary Rank on the ACTIVE LIST shall be granted the Pension applicable to that rank. The Widows of Marine Officers who were given an honorary rank on or after retirement shall only be entitled to the Pension applicable to the substantive rank of the Officer when last on the Active List.

(b) Officers retired after 29 June, 1882.

The Widows of Marine Officers retired after 29th June, 1882, will be pensioned under the rules governing the award of Pensions to Widows of Officers of His Majesty's Army.

17. *Widows and Children of Officers killed in Action.* Gratuities, under the following regulations, shall be allowed, as His Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers mentioned in Article 1, as may be slain in the King's Service, in fight with the enemy, pirates, or smugglers, or in encounters with the Ships of friends by mistake, or in quelling disturbances on shore or afloat; and persons dying of their wounds within seven years shall be considered as persons slain, viz:—

I. To a Widow, a Gratuity equal to a year's Full-Pay of the rank which her husband held at the time of his death.

II. To each Orphan (who shall not be married, nor be above the prescribed limit of age), one third of the Gratuity to the Widow; posthumous children shall be considered as orphans.

Digitized by Google

In the calculation of these Gratuities, the Officer's Command Money and other Full-pay Allowances, except Table Money, shall be included.

18. In the case of an Officer killed in action, or dying from wounds received in action within seven years, and not leaving a Widow, but leaving a Daughter or Daughters only, an annual Allowance, equal to the ordinary rate of Widow's Pension may, under special circumstances, be granted, instead of the Compassionate Allowance, to such Daughter or Daughters collectively. Such Allowances may be continued until the Daughter, or the last survivor of them, in case there be more than one, may become disqualified by marriage or otherwise.

19. *Children of Officers.*—(1) Allowances on the Compassionate List to the legitimate Children of deceased Commissioned Officers, may be given in those cases in which the rank of the Officer would render his Widow eligible to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government (except in the case of Boys under the age of eighteen who may be serving as Subordinate Officers in the Navy), and that their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

(2) The scale of Compassionate Allowances for Children of Officers is laid down in the foregoing Table, but motherless children who are not in receipt of more than 30*l.* a year from other sources may be granted allowances within a maximum of double the ordinary rates.

(3) When a Medical Officer retires, or withdraws on a gratuity, his children will have no claim to Compassionate Allowance.

20. The Allowances granted to the *Sons* of Officers may be continued until they attain the *Age of Eighteen* or are otherwise previously provided for; and those to the *Daughters* may be continued until they marry, or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances, the allowance may be continued, or revived should any break of continuity from under age have occurred.

These allowances may also be awarded in those special cases where the Sons and Daughters of Officers who were not in receipt of Allowances when under age, are rendered incapable of making adequate exertion for their own support through infirmity, dating from a period before the father's death, and before the Sons and Daughters reached the age at which in ordinary circumstances Compassionate Allowance would cease.

21. Children who are being educated at the expense of Greenwich Hospital may be granted the minimum Compassionate Allowances applicable to their Father's rank, provided real poverty is proved to exist.

22. All persons alluded to in Article 20 who are in receipt of 30*l.* a year from other sources, or whose Mothers have been refused Pensions on account of private income, are considered ineligible for Compassionate Allowances under ordinary circumstances. In the case of motherless children, however, the private income limit is 45*l.*

23. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

24. Compassionate Allowances are granted for the year commencing 1st January, but are not payable till after the following 1st April.

25. Children who were born after their Fathers commuted their Retired Pay are not eligible to be placed on the Compassionate List. Children born after partial commutation will only be granted a proportion of the Allowances for which they would otherwise have been eligible.

26. The aggregate amount of the Allowances to the Family of any Officer shall not exceed, in ordinary cases, the amount of the Half-Pay of his Rank and Seniority at the time of his death. In the case of an Officer whose death is attributable to the Service, the aggregate amount of the Allowances to his Family shall not exceed 100*l.* a year more than the amount of the Half-Pay of his Rank and Seniority at the time of his death.

27. *Mothers.*—When an Officer is killed in action, or killed or drowned on duty, or dies of wounds or injuries received on duty within seven years after being injured, and leaves no Widow nor legitimate Child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the Mother shall receive a Pension equal to the *ordinary* rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

28. *Sisters.*—Sisters of Officers are not eligible for any Allowance, unless under very special and extraordinary circumstances. The Allowance will not exceed that which would be given to a Mother and will not be given in any case unless the Officer shall have been killed in action, or killed or drowned on duty, or shall die of wounds or injuries received on duty within two years after being injured, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

29. If there be no *ordinary* rate of Pension attached to the rank of the Officer, such Pension may be granted as the Admiralty may see fit, in the case of both Mothers and Sisters, under the circumstances stated in Articles 28 and 29.

30. Widows, Children, and other relatives of Officers who may have been granted temporary Commissions, or have held acting appointments, together with relatives of Officers of the Royal Naval Reserve and Royal Naval Volunteer Reserve, to be eligible for pension and allowances on the same scales as are prescribed for Officers of similar ranks holding permanent Commissions in the Royal Navy.

CASES ARISING OUT OF THE PRESENT WAR.

REVISED REGULATIONS.

1. The following revised *regulations* apply to all cases arising out of the present war. The revised *rates* of pensions and compassionate allowance referred to in paragraphs 3, 6, 7, and 10 have effect, however, from the 1st March, 1915, only, unless otherwise indicated.

The general conditions of award previously laid down remain unchanged except where a contrary intention is definitely expressed.

2. In cases arising out of the present war, including those of Marine Officers employed on board H.M. Ships, the classification governing the award of the different Scales of Pensions and Allowances is as follows, in substitution for that shown on page 893:—

CLASS A.—Officers killed in action, or dying from wounds received in action, whether afloat or ashore, or whose deaths result from destruction of ship, or who suffer death by drowning or other violent death due directly and wholly to War Service.

CLASS B.—Officers who die of disease due to exposure or exertion on service, or from injuries received in and by service, so far as not covered by Class A.

CLASS C.—Officers who die of disease, injury, or accident, not coming under Classes A or B.

2A. In the case of Marine Officers on shore strength the classification is as for the Army, *i.e.*, as follows:—

CLASS A.—Officers killed in action, or dying from wounds received in action, or from other violent death due directly and wholly to War Service.

CLASS B.—Officers who die of disease due to active operations in the field, or otherwise directly attributable to military service, or from injuries received in and by service so far as not covered by Class A.

CLASS C.—Officers who die of disease, injury or accident not coming under Classes A or B.

3. The rates of Pension for Widows of Lieutenants and Sub-Lieutenants in the Royal Navy, and other Officers of corresponding rank in the Royal Navy and Royal Marines are raised to the following amounts:—

Class A	..	..	£100 a year
Class B	..	..	£75 a year
Class C	..	..	£50 a year

4. The additional Gratuity payable in Class A cases will continue to be paid at the existing rates.

5. In the cases of Officers coming under Class C, who die during the present war without completing the minimum period of service necessary to qualify their Widows for the award of Pensions, Gratuities of not less than one year's, and not more than three years', pay will be awarded at the discretion of the Admiralty, and will be paid in each case, either in a lump sum, or in instalments, as the Admiralty may consider desirable.

6. The rates of Compassionate Allowances for the Children of Commissioned Officers of all Ranks up to and including that of Captain in the Royal Navy, or similar relative rank, are as follows:—

Class A	..	..	.. £24 a year
Class B	..	..	.. £20 a year
Class C	..	..	.. £16 a year

7. The rates for the Children of Flag Officers and Officers of similar relative rank are as follows:—

Class A	..	..	.. £30 a year
Class B	..	..	.. £25 a year
Class C	..	..	.. £20 a year

8. In cases of pecuniary need, Educational Allowances of £35 a year for boys, and £25 a year for girls, will be awarded, at the discretion of the Admiralty, to the Children of Commissioned Officers who die during the war, or are disabled through War Service, these allowances to be payable ordinarily between the ages of 13 and 18, but to be extended, if thought desirable, until the age of 21, on the recommendation of a competent Education Authority, where the education is being continued at Secondary Schools, Technical Schools, or the Universities.

9. In view of the revision in the rates of Compassionate Allowances and the institution of Educational Allowances, the existing provision for the grant of double Compassionate Allowances to motherless children is abolished, subject to the proviso that the Guardian of any child, who considers the provisions of existing Regulations more beneficial to such child, may, at the time the award is made, elect that the child should receive the benefit of existing Regulations, and that such option once exercised shall be final.

10. The following revised Regulations, provided they be more beneficial than existing Regulations, apply in cases arising out of the present war for the award of Pensions and Allowances to the Widows and Children of Commissioned Warrant Officers and Warrant Officers:—

(*a*) Killed in the performance of naval or military duty.

(*b*) Dying of wounds or injuries received in the performance of such duty, within 7 years after the receipt of the wound or injury.

(*c*) Dying of disease medically certified to have been contracted, or to have developed, while on active service, within 7 years of their removal from duty on account of such disease.

Widow's Pension to be £50 a year in the case of Commissioned Warrant Officers, and £45 a year in the case of Warrant Officers.

Compassionate Allowances on a scale of £8 to £14 to be awarded to the children of Commissioned Warrant Officers and Warrant Officers, and the Admiralty to have discretion to continue the allowance beyond the age of 18 in the case of boys on production of satisfactory evidence that the continuance of the allowance is needed for the purpose of enabling the boy to complete his education.

In cases where separation allowance is being paid, the above Pensions and Compassionate Allowances are payable only from the date of cessation of such separation allowance.

11. The present provision that the aggregate amount of the allowances to the family of any Officer shall not exceed:—

(*a*) In ordinary cases, the amount of the half-pay of his rank and seniority at the time of his death, and,

(*b*) In cases where the Officer's death is attributable to the Service, the sum of £100 more than the amount of the half-pay of his rank and seniority at the time of his death,

to be waived, as also the provision that persons who are in receipt of £30 a year from other sources, or whose mothers have been refused Pensions on account of private income, shall be considered ineligible for Compassionate Allowances in ordinary circumstances.

12. On the death of an Officer who leaves no widow or legitimate child, under conditions such as entitle an Officer's Widow to Pension at the highest or the intermediate rate, the Admiralty has power to grant allowances as under:—

MOTHER.

The Mother may be granted an annual allowance provided that:—

(*a*) The Mother is a widow, or her husband is totally incapacitated by age or infirmity, or he had permanently deserted her and ceased to support her.

(*b*) She was largely dependent for support upon the deceased Officer; and

(*c*) She is in distressed circumstances, and is not in receipt of Pension as an Officer's Widow or of any other charitable provision of any kind from the public.

The amount of the allowance shall be determined in each case by the Admiralty with regard to the Mother's pecuniary circumstances. It shall not in any case exceed the Pension which would have been awarded to the Officer's Widow, had he left one, or the annual value of the support afforded by the Officer. It shall cease in the event of the recipient remarrying or attaining to pecuniary circumstances which, in the opinion of the Admiralty, disqualify her, and shall not in any case be transferable.

FATHER.

The Father may, subject to the same conditions as far as they are applicable, receive an allowance similar to that granted to a Mother, provided he is a Widower and totally incapacitated by age or infirmity.

SISTERS.

The Sister or Sisters jointly may be granted an allowance provided that:—

(*a*) The Officer did not leave a Mother.

(*b*) The Sister or Sisters be an orphan or orphans unmarried.

(*c*) They were largely dependent on the deceased Officer.

(*d*) The surviving Brothers, if any, are unable through youth, or bodily or mental infirmity, to give them support.

(*e*) They are in distressed circumstances, and are not in receipt of any other charitable provision of any kind from the public.

The amount of the allowance shall be determined in each case by the Admiralty with regard to the pecuniary circumstances of the Sister or Sisters.

Not more than £50 a year shall be granted to any one Sister, and the total shall not in any case exceed the Pension which would have been awarded to the Officer's Widow, had he left one, or the annual value of the support afforded by the Officer.

Except in special cases where the Officer's Sister is shown to be unfitted by age or infirmity to earn her living, an allowance will not be granted if she is over 21 years of age, nor be continued beyond that age. It shall also cease in the event of the recipient marrying or attaining to pecuniary circumstances which, in the opinion of the Admiralty, disqualify her.

The Mother or Sisters of a deceased Officer may, however, be granted, if more advantageous to them than the allowances herein specified, the benefits of the formerly existing Regulations.

In no case, however, will the retired pay of a Captain exceed 600*l.* a year.

Flag Officers and Captains are allowed to receive their Good Service Pensions notwithstanding appointment to Full Pay or Civil Salary.

Should any Flag Officer holding a Good Service Pension be in receipt of, or become entitled to a Civil Pension, exceeding the value of his Good Service Pension, the latter Pension shall be suspended so long as he receives such Civil Pension, and the vacancy thus occasioned may be filled up; but, as a rule, it is not intended that more than one such supernumerary Pension shall be in existence at the same time.

Engineer Vice-Admirals, Engineer-Rear-Admirals and Engineer-Captains shall be eligible for the award of Good Service Pensions whether on the Active or Retired List, but when a Good Service Pension is awarded to an Engineer-Captain on the Active List he shall relinquish it on promotion to Engineer-Rear-Admiral, or on retirement.

Officers retired from the position of Colonel Commandant or placed on the Reserve List of Colonels shall relinquish the Good Service Pension, but they are eligible for the Good Service Pensions for General Officers.

GREENWICH HOSPITAL.

[NOTE.—For Greenwich Hospital Pensions to *Officers*, see p. 910.]

GREENWICH HOSPITAL PENSIONS.

These Pensions are the "Age" and "Special Pensions."

They are given entirely at the discretion of the Admiralty, and are not granted to any person whose character whilst in or after leaving the Navy has not been good.

Age Pensions are given to Naval Pensioners only (*i.e.*, to Seamen, Marines, Yard Craftsmen, and Riggers of Dockyard).

Age Pensions are given only to Life Pensioners.

A Naval Pensioner is eligible for the Age Pension of 5*d.* a day on attaining the age of 55, if he has been in receipt of his pension for 5 years; and for the increase of such age pension to 9*d.* a day at the age of 65, if he has been in receipt of his Naval Pension for 10 years.

The number of Pensions in force at any one time is limited, and will be determined from time to time according to the funds available for the purpose; the vacancies to be filled by selection from among the oldest and most necessitous candidates.

These regulations are not to affect any Pensioner in receipt of an Age Pension in July, 1878, or any Pensioner who, being already in receipt of 5*d.* a day, will be eligible for the additional 4*d.* a day on attaining the age of 65.

The Deferred Pension of Marines gives no claim to the Age Pension.

Special Pensions are given at the discretion of, and under Regulations framed by the Admiralty, to men unable to contribute materially to their own support, and vary in amount and duration according to each man's degree of disability, the other circumstances of his case, and the amount of the funds available.

They are tenable in addition to Naval and Age Pensions, subject, however, to the limits expressed in the following List:—

Classes III. and IV. Men who have *not less than* 5 *years'* service counting towards pension, and who have been discharged or invalided on account of disease or wounds and whose disability is clearly the result of such disease or wounds.

Men who have been discharged or invalided on account of disease or wounds *clearly attributable* to the service, and whose present disability is clearly the result of such disease or wounds—

	If in receipt of Temporary Pensions.	If not in receipt of Naval Pensions.
When unable to maintain themselves.	Pension made up to from 1*s.* to 1*s.* 3*d.* a day	Pension awarded from 9*d.* to 1*s.* a day.
If able to contribute in a small degree to their own support ..	Nil.	Pension awarded of 6*d.* a day.

Class V. Special cases, including—

Men who have been granted a war medal or clasp, or who were employed in the Franklin Search Expedition; or who were injured on duty.

If unable to maintain themselves	Pension awarded from 1*s.* to 1*s.* 3*d.* a day.
If able to contribute in a small degree to their own support ..	Pension awarded of 6*d.* to 9*d.* a day.

In cases of exceptional need or distress special Pensions in excess of the above rates may be granted within a maximum of 2*s.* 6*d.* a day.

Men discharged for venereal complaints, unless they are life pensioners, or, whose general character has been inferior to "good," or who were discharged in good health with less than 12 years' service, unless they come under Class V., are ineligible for Special Pensions, as are men in workhouses.

Men eligible for the benefits of Greenwich Hospital may be admitted to Hospitals if in urgent need of temporary treatment.

4. In order to ascertain that the above conditions are strictly carried out, the Captain of one of His Majesty's Ships meeting a ship flying the Blue Ensign may send an Officer, not below the rank of Lieutenant, on board at any convenient opportunity. XVII.—*Assistant Paymasters for Service in the Royal Navy, under Order in Council of 7th March*, 1904.

(51.) Under the authority of the "Royal Naval Reserve Officers Act, 1863" (26 & 27 Vict. c. 69), as amended by Act 35 & 36 Vict. c. 73, the Lords Commissioners of the Admiralty have formed a Reserve of Accountant Officers for service in the Royal Navy in emergencies.

2. It will consist of a certain number of Assistant Paymasters who will be granted commissions as Officers of the Royal Naval Reserve under the existing regulations respecting R.N.R. Officers, so far as they are applicable to their case.

3. They will be required to undergo training in Accountant duties in time of peace, and will be liable to be called out by Royal Proclamation for service in the Fleet in any national emergency, and to continue serving during the continuance of such emergency.

(52.) To be eligible for a commission as Assistant Paymaster, R.N.R., candidates must be between 21 and 30 years of age, with a good knowledge of, and at least three years' experience in, the keeping of accounts. They will be required to produce thoroughly satisfactory testimonials from the firms in which they are employed, and to present themselves before a Board of Selection at the Admiralty.

2. Every candidate will be required to pass a medical examination before the Medical Director-General of the Navy; he must be in good health, well-developed and active, free from any physical defect of body, impediment of speech, defect of hearing, or serious defect of sight, and also from any predisposition to constitutional or hereditary disease or weakness of any kind. The case of a short-sighted candidate, in other respects fit, will be specially considered on its merits.

(53.) Candidates for Assistant Paymasters who pass the medical examination and are provisionally accepted by the Board of Selection will be required to attend a preliminary course of instruction in the evenings, for at least a fortnight, and if satisfactorily reported on by the Instructing Officer, they will be given an appointment as Acting Assistant Paymaster, R.N.R.

2. This preliminary instruction will be followed by training on board one of H.M. ships on the Home Station for a minimum period of 14 days and a maximum of one month, to be repeated for three years, or until they pass an examination and are reported qualified for confirmation in their rank. The course of instruction will include the practical duties of Accountant Officers in regard to Naval Accounts and payments, and in regard to the receipt, issue, care, and preservation of provisions, clothing, and other stores on board H.M. Ships.

NOTE.—Acting Assistant Paymasters who are Pursers or Assistant Pursers in the Mercantile Marine will not be required to attend the Instructional Classes, but must perform a minimum of 21 days' training each year until confirmed.

3. Any Acting Officer, who, after three yearly courses of instruction, may not be found fully suitable in every respect to hold a Commission, will not be confirmed in the rank, but will cease to belong to the Reserve.

Digitized by Google

4. The convenience of the firms will be studied in arranging the dates of embarkation, but it is very desirable that the first period of training in the Fleet should be as long as possible.

(54.) Whilst embarked, every opportunity should be taken of fully instructing them in the practical duties of Assistant Paymasters, and with this object they should be regarded as forming part of the staff of the Paymaster.

2. It is to be understood that, whilst the minimum period of training has been fixed at a fortnight, and the maximum at a month, each year, these Officers must be discharged in time to enable them to keep their engagements with their employers. Travelling warrants may be given to them to the place from which they joined or to any not more distant place, and the usual travelling expenses will be paid.

3. At the end of the course of training a report is to be made as to the progress which they have made and whether they display the qualities expected of gentlemen filling the position of Commissioned Officers in His Majesty's Fleet.

(55.) Officers will be further expected, until confirmed in their rank, to attend the evening classes of instruction for about ten days in each year; and after confirmation they will be required to keep themselves efficient either by attending classes of instruction or by further training in the Fleet, as may be practicable.

(55a.) Assistant Paymasters (confirmed) will be allowed to volunteer for one year's service afloat, when they will receive pay at the rate of 10s. a day, equipment allowance of £15 and will be eligible for a bonus of £25 on termination of appointment (conditional on good conduct and service).

(56.) Assistant Paymasters, R.N.R., will rank with, but after, Assistant Paymasters of the Royal Navy. Those who have been confirmed in rank will, on completing four years' seniority, rank with, but after, Assistant Paymasters of the Royal Navy of four years' seniority.

2. When on duty they will wear the uniform established for Officers of the Royal Naval Reserve. If called out for service in emergency they will be granted the sum of 30*l.* for equipment. Before embarking for training they will be expected to provide themselves with a Duty Undress and a Mess Undress. The provision of any further articles of uniform for occasions of ceremony will be optional.

3. They are authorised to wear uniform when serving in H.M. Ships and on State occasions only.

4. They will mess in the Wardroom, paying the ordinary mess subscription of 2*s.* a day and other small expenses.

(57.) When called out by Royal Proclamation for service in the Fleet, or when embarking for training, they will serve under the provisions of the Naval Discipline Act, and they will receive a daily rate of pay of 10*s.*

(58.) No money allowance will be granted to Officers attending classes of instruction.

2. Classes of instruction are held in the evening at the Admiralty, Whitehall.

(59.) Assistant Paymasters, R.N.R., will, except when called out in emergency, be permitted to tender the resignation of their Commissions at any time. They will be liable to forfeit their Commissions should the Admiralty for any reason have no further need of their services.

REGULATIONS RESPECTING FOREIGN ORDERS AND MEDALS APPLICABLE TO PERSONS IN THE SERVICE OF THE CROWN.

ORDERS.

1. It is the King's wish that no subject of His Majesty in the Service of the Crown shall accept and wear the Insignia of any Foreign Order without having previously obtained His Majesty's permission to do so, signified either:—

(*a*) By Warrant under the Royal Sign-Manual, or—

(*b*) By private permission conveyed through His Majesty's Private Secretary.

2. Permission given by Warrant under the Royal Sign-Manual will enable the Insignia of the Foreign Order to be worn at all times and without any restriction.

Private permission will only enable the Insignia to be worn on the occasions specified in the terms of the letter from the King's Private Secretary conveying the Royal Sanction.

3. Full and unrestricted permission by Warrant under the Royal Sign-Manual is contemplated in the following cases:—

For a Decoration conferred—

On an Officer in His Majesty's Naval or Military Forces lent to a Foreign Government; on an Officer in His Majesty's Naval or Military Forces attached by his Government to a Foreign Navy or Army during hostilities; or on any British Official lent to a Foreign Government and not in receipt of any emoluments from British public funds during the period of such loan.

In the case of decorations awarded in recognition of services under the Red Cross, permission will only be granted where such services have been rendered in a war in which the Empire has itself been engaged, and by persons serving under one of the officially recognised British voluntary aid societies or under similar societies of Allied States duly recognised by the Governments of those States.

4. Private or restricted permission is contemplated for Decorations which have been conferred in recognition of personal attention to the Head of a Foreign State, and which are therefore of a more or less complimentary character, and will, as a rule, only be given on exceptional occasions when in the public interest and for political reasons it is deemed expedient that the acceptance of a Foreign Decoration should not be declined. Private permission will generally be given in the following cases:—

(*Note.*—A State visit is defined as one on which the King is accompanied by a Minister or High Official in attendance.)

(2) On Members of Deputations of British Regiments to Foreign Heads of States;

(3) On Members of Special Missions when the King is represented at a Foreign Coronation, Wedding, or Funeral; or on any Diplomatic Representative when specially accredited to represent His Majesty on such occasions; and such Members of his Staff who actually attend the ceremonies in their official capacity;

(4) On Naval and Military Attachés only after completion of five years' service at the post to which they are appointed in that capacity.

5. Private or restricted permission will *not* be given to—

(1) British Ambassadors or Ministers abroad when leaving;

(2) Members of British Missions announcing the Accession of a Sovereign;

(3) British Officers attending Foreign Manœuvres.

(4) Naval Officers of British Squadrons visiting Foreign Waters.

6. The desire of the Head of a Foreign State to confer upon a British Subject in the Service of the Crown the Insignia of an Order must be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the British Diplomatic Representative accredited to the Head of the Foreign State, or through his Diplomatic Representative at the Court of St. James.

7. When His Majesty's Principal Secretary of State for Foreign Affairs shall have taken the King's pleasure on any such application, and shall have obtained His Majesty's permission for the person in whose favour it has been made to wear the Insignia of a Foreign Order, he shall signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause a Warrant, if it be a case for the issue of a Warrant as defined in Rule 2, to be prepared for the Royal Sign-Manual.

When such Warrant shall have been signed by the King, a notification thereof shall be inserted in the "Gazette," stating the service for which the Foreign Order has been conferred.

Persons in whose favour such Warrants are issued will be required to pay to His Majesty's Principal Secretary of State for the Home Department a stamp duty of Ten Shillings.

8. The Warrant signifying His Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

9. When a British subject in the Service of the Crown has received the Royal permission, full or private, to accept and wear the Decoration of a Foreign Order, he will not be allowed to accept and wear the Decoration of a Higher Class of the same Order without His Majesty's approval, which will only be given if the higher honour is being conferred in circumstances contemplated by these Regulations.

MEDALS.

10. Medals which constitute a particular class of a Foreign Order are subject in all respects to the Regulations in the same manner as higher grades of the Order, except that permission to wear will be given by Letter and not by Royal Warrant.

11. The King's unrestricted permission to accept and wear a Foreign Medal will only be given in the case of a Foreign Medal conferred by the Head or Government of a Foreign State for saving or attempting to save life at sea or on land. In the case of Medals for Red Cross services, permission will only be granted subject to the fulfilment of the conditions laid down in para. 3.

12. The King's unrestricted permission to accept and wear a Foreign War Medal will only be given to (1) Officers of His Majesty's Military or Naval Forces if serving with a Foreign Army or Navy with His Majesty's licence, and (2) Military or Naval Attachés or other officers officially attached to Foreign Armies or Navies during hostilities

13. In exceptional cases, when for special reasons it is deemed expedient that the acceptance of the Medal should not be declined, His Majesty will grant restricted permission. Such cases will be judged on their merits, and the circumstances in which the Medal may be worn will be specified in the Letter conveying His Majesty's permission.

14. The term "person in the Service of the Crown" includes persons in receipt of a salary or pension from Public Funds, or holding a Royal Commission in any part of His Majesty's Dominions, Protectorates, or Possessions.

15. Ladies are subject to the Regulations in all respects in the same manner as men.

Foreign Office, March 10, 1914.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than in bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

Firstly.—It is ordained that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll bearing this inscription "For Valour."

Secondly.—It is ordained that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly.—It is ordained, that anyone who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly.—It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly.—It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly.—It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed is under the eye and command of any Admiral or General Officer commanding the Forces.

II. Where the Naval or Military force is under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly.—It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly.—It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly.—It is ordained that every person selected under rule eight shall receive his decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly.—It is ordained that the General Orders above referred to, shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly.—It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Digitized by Google

Thirteenthly.—It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-Commissioned Officers engaged; and two Seamen or Private Soldiers or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

*Fourteenthly.—It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the decoration has been gained, be entitled to a Special Pension of Ten Pounds a year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace this twenty-ninth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PANMURE.

*Under Her late Majesty's Order in Council of the 2nd of February, 1859, their Lordships are authorised to increase the ordinary Victoria Cross Annuity of Ten Pounds, by a sum not exceeding Forty Pounds a year, in any case in which a Warrant Officer, Petty Officer, Seaman or Marine, who has gained the Victoria Cross, may be found by them to be, from old age or infirmity, not due to his own fault, in poor circumstances, and unable to earn a living; provided that the Annuity, together with any Pensions of which he may be in receipt from Public Funds, shall not exceed Fifty Pounds a year.

QUALIFICATIONS FOR THE VICTORIA CROSS.

Whereas doubts have arisen as to the qualification required for the decoration of the Victoria Cross: And whereas the description of such qualification in our warrant of 29th January 1856 is not uniform:

Our will and pleasure is that the qualification shall be "conspicuous bravery or devotion to the country in the presence of the enemy," and that our warrant of 29th January 1856 shall be read and interpreted accordingly.

It is our further will and pleasure that officers and men of our auxiliary and reserve forces (Naval and Military) shall be eligible for the decoration of the Victoria Cross under the conditions of Our said warrant, as amended by this Our warrant.

Given at Our Court at Osborne, this 23rd day of April 1881, in the 44th year of Our Reign.

By Her Majesty's Command,

HUGH C. E. CHILDERS.

THE ROYAL RED CROSS.

GEORGE R.I.

WHEREAS Her late Majesty Our Beloved Grandmother Queen Victoria by a Warrant dated the 23rd day of April, 1883, did institute, constitute and create a Decoration designated "The Royal Red Cross" to be awarded in recognition of special services rendered in nursing the sick and wounded of Our Army and Navy and did make, ordain and establish certain rules and ordinances for the government of the same, which rules and ordinances were subsequently amended by Royal Warrants dated the 11th day of December, 1897, the 24th day of July, 1902, and the 8th day of September, 1909:

AND WHEREAS it is Our Royal Will and Pleasure that further provision shall be made for the recognition of such special services rendered in nursing the sick and wounded of Our Army and Navy:

NOW THEREFORE WE do hereby declare that the rules and ordinances heretofore in force for the government of the said decoration shall be abrogated, cancelled and annulled, and We are pleased to make, ordain and establish the following rules and ordinances in substitution for the same, which shall from henceforth be inviolably observed and kept:—

Firstly.—The Decoration shall be styled and designated "The Royal Red Cross," and shall be divided into two Classes.

The First Class shall consist of a Cross, enamelled red, edged with gold, having on the arms thereof the words Faith, Hope, Charity, with the date of the institution of the Decoration; the centre having thereon in relief the Royal and Imperial Effigy. On the reverse thereof the Royal and Imperial Cipher and Crown shall be shown in relief on the centre.

The Second Class shall consist of a Cross which shall be of the same form and size as in the First Class, but shall be of frosted silver and shall have superimposed thereon a Maltese Cross enamelled red not exceeding half its dimensions, the centre having thereon in relief the Royal and Imperial Effigy. The reverse shall have inscribed on the arms thereof the words Faith, Hope, Charity and the date of institution of the original Decoration, and shall bear in the centre in relief the Royal and Imperial Cipher and Crown.

Secondly.—The Cross in either Class shall be attached to a dark blue riband edged red, of one inch in width, tied in a bow and worn on the left shoulder.

Thirdly.—The decoration may be worn by the Queen Regnant, the Queen Consort, or the Queen Dowager of the United Kingdom of Great Britain and Ireland; and it shall be competent for Us, Our Heirs and Successors, to confer the decoration upon any of the Princesses of the Royal Family of Great Britain and Ireland; also upon the Queens or Princesses of Foreign Countries who may have specially exerted themselves in providing for the nursing of the sick and wounded of Foreign Armies and Navies.

Fourthly.—It shall be competent for Us, Our Heirs and Successors, to confer either Class of this Decoration upon any members of the Nursing Services without restriction as to rank, or upon other persons engaged in nursing duties whether subjects or foreign persons, who may be recommended to Our notice by Our Secretary of State for War or by the First Lord of the Admiralty, as the case may be, for special devotion and competency which they may have displayed in their nursing duties with Our Army in the Field, or in our Naval and Military Hospitals.

Digitized by Google

Fifthly.—The number of awards in the First Class of the Decoration shall not exceed two per cent. of the total establishment of Nurses, and the number of awards in the Second Class of the Decoration shall not exceed five per cent. of the total establishment of Nurses, the allotments to be proportionate to the numbers of each Nursing Service; provided nevertheless that it shall be competent for us, Our Heirs and Successors, to make such additions as, under exceptional circumstances, We may deem fitting.

Sixthly.—Recipients of the Second Class of the Decoration shall be eligible for advancement to the First Class as vacancies may arise.

Seventhly.—Recipients of the First Class of the Decoration shall be designated Members of the Royal Red Cross, and shall be entitled to the letters R.R.C. following their names. Recipients of the Second Class of the Decoration shall be designated Associates of the Royal Red Cross, and shall be entitled to the letters A.R.R.C. following their names.

Eighthly.—It shall be competent for Us, Our Heirs and Successors, to confer either Class of the Decoration upon any ladies, whether subjects or foreign persons, who may be recommended to Our notice by Our Secretary of State for War as having voluntarily undertaken the duties of establishing, conducting or assisting in hospitals for the treatment of sick and wounded soldiers and sailors of Our Army and Navy, or of Our Indian Military Forces or of the Naval and Military Forces of Our Self-governing Dominions beyond the Seas, or as having performed valuable services with the Red Cross or kindred societies at home or abroad, or as having otherwise rendered eminent services in the care of sick and wounded soldiers and sailors of Our Army and Navy; and it is hereby ordained that all persons appointed under this Clause shall be regarded as Honorary Members or Associates, and their appointments shall be additional to the establishment ordained in the Fifth Clause of this Our Royal Warrant.

Ninthly.—The names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Tenthly.—In order to make such additional provision as shall effectually preserve pure this honourable distinction, it is ordained that if any person on whom such distinction shall be conferred shall by her conduct become unworthy of it, her name shall be erased, by an order under Royal Sign Manual, from the register of those upon whom the said Decoration shall have been conferred. And it is hereby declared that We, Our Heirs and Successors, shall be the sole judge of the conduct which may require the erasure from the register of the name of the offending person, and that it shall at all times be competent for Us, Our Heirs and Successors, to restore the name if such restoration should be justified by the circumstances of the case.

Lastly.—We reserve to Ourself, Our Heirs and Successors, full power of annulling, altering, abrogating, augmenting, interpreting, or dispensing with these Regulations, or any part thereof, by a notification under the Royal Sign Manual.

Given at Our Court at St. James's, this Tenth day of November, 1915, in the Sixth year of Our Reign.

By His Majesty's Command,

H. H. ASQUITH.

MEDALS, ANNUITIES, AND GRATUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

By Order in Council, dated the 7th July, 1874, a Silver Medal has been established for such Petty Officers and Seamen of the Royal Navy, and Non-commissioned Officers and Privates of the Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

This Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the grant of an annuity (not exceeding £20 in the cases of Chief and First-class Petty Officers of the Navy and Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities by the Lords Commissioners of His Majesty's Treasury, is not exceeded.

As these rewards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, great care is to be taken that the cases of the men recommended come strictly within the spirit of the Order in Council; and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

By Order in Council of 22nd February 1896, the grant of an Annuity may be extended at the discretion of the Lords Commissioners of the Admiralty to all recipients of this Medal, whatever their rank or rating may have been when the Medal was awarded, on their promotion to Chief or First-class Petty Officers of the Navy, or Sergeants of Royal Marines.

By Order in Council of 20th May, 1903, a Seaman or Marine holding the Conspicuous Gallantry Medal unaccompanied by an Annuity may be awarded, at the discretion of the Admiralty, a gratuity of £20 on discharge at the completion of his term of active service, or on being invalided from the service, or on promotion to a commission.

A Seaman or Marine, who has been awarded the Distinguished Conduct Medal for service under the War Office may be awarded, at the discretion of the Admiralty, a gratuity of the same amount, when similarly discharged from the service or promoted to commissioned rank, except when such seaman or marine may be in possession of the Naval Conspicuous Gallantry Medal accompanied by an Annuity.

By Order in Council of 27th June, 1916, annuities awarded with the Naval Conspicuous Gallantry Medal may be retained by Seamen and Royal Marines who are promoted to permanent or temporary Commissioned Rank (other than that of Quartermaster in the Royal Marines).

Petty Officers, Non-Commissioned Officers, and Men who, having been awarded the Conspicuous Gallantry Medal, again perform such service as would entitle them to the award of the same Medal, had they not already received it, may be granted the addition of a bar to the Medal previously conferred. —(*Order in Council of 27th June*, 1916.)

DISTINGUISHED SERVICE MEDAL.

At the Court at Buckingham Palace,
The 14th day of October, 1914.

Present:
The KING'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 11th day of October, 1914, in the words following, viz.:

"WHEREAS Her late Majesty Queen Victoria was graciously pleased, by Her Order in Council dated the 7th July, 1874, to establish a Silver Medal, known as the Conspicuous Gallantry Medal, for such Chief Petty Officers, Petty Officers and Men of the Royal Navy, and Non-Commissioned Officers and Men of the Royal Marines, as might at any time distinguish themselves by acts of pre-eminent bravery in action with the enemy:

"And whereas we are of opinion that it would be desirable to establish a Medal which could be awarded in the numerous instances of courageous service in war by Chief Petty Officers, Petty Officers and Men of Your Majesty's Navy, and by Non-Commissioned Officers and Men of Your Majesty's Corps of Royal Marines, and all other persons holding corresponding positions in Your Majesty's Service afloat, in cases where the award of the Conspicuous Gallantry Medal would be inappropriate:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased by Your Order in Council to establish a medal, to be called the Distinguished Service Medal, for such of the above classes of Your Majesty's Navy as may at any time show themselves to the fore in action, and set an example of bravery and resource under fire but without performing acts of such pre-eminent bravery as would render them eligible for the Conspicuous Gallantry Medal."

HIS MAJESTY, having taken the said Memorial into consideration, was pleased, by and with the advice of his Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

DISTINGUISHED SERVICE ORDER.

VICTORIA R. & I.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, Empress of India, to all to whom these presents shall come greeting:

Whereas We have taken into Our Royal consideration that the means of adequately rewarding the distinguished services of Officers in Our Naval and Military Services who have been honourably mentioned in Despatches are limited; now for the purpose of attaining an end so desirable as that of rewarding individual instances of meritorious or distinguished service in war, We have instituted and created by these presents, for Us, Our Heirs and Successors, do institute and create a new Naval and Military Order of Distinction—to be designated as hereinafter described—which We are desirous should be highly prized by the Officers of Our Naval and Military Services, and We are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall henceforth be inviolably observed and kept;

Firstly. It is ordained, that this Order shall henceforth be styled and designated the "Distinguished Service Order."

Secondly. It is ordained that the Order shall consist of the Sovereign, and of such members or Companions as We, Our Heirs or Successors, shall appoint.

Thirdly. It is ordained that We, Our Heirs and Successors, Kings and Queens Regnant of the United Kingdom of Great Britain and Ireland, Emperors and Empresses of India, are and for ever shall be Sovereigns of this Order.

Fourthly. It is ordained that no person shall be eligible for this distinction who doth not actually hold, at the time of his nomination, a Commission in Our Navy, in Our Land Forces, or Marines, or Our Indian or Colonial Naval or Military Forces, or a Commission in one of the Departments of Our Navy or Army, the holder of which is entitled to Honorary or relative Navy or Army rank, nor shall any person be nominated unless his services shall have been marked by the especial mention of his name, by the Admiral or Senior Naval Officer Commanding a Squadron or detached Naval Force, or by the Commander-in-Chief of the Forces in the Field, in Despatches for meritorious or distinguished service in the Field, or before the enemy.

Fifthly. It is ordained that Foreign Officers who have been associated in Naval and Military operations with Our Forces shall be eligible to be Honorary Members of this Order.

Sixthly. It is ordained that when We, Our Heirs and Successors, shall be pleased to appoint any person to be a Member of this Order, such appointment shall be made by Warrant under our Sign Manual, and countersigned by one of Our Principal Secretaries of State.

Seventhly. It is ordained that the decoration of this Order shall be and shall be worn as is hereinafter set forth.

Eighthly. It is ordained that an Officer shall be appointed to this Order, that is to say, a Secretary and Registrar.

Ninthly. It is ordained that the Secretary and Registrar of this Order shall be appointed by Us, Our Heirs and Successors, and shall have the custody of the archives of the Order. He shall attend to the Service of the Order, and shall execute such directions as he may receive from Our Principal Secretary of State for War.

Tenthly. It is ordained that this Order shall rank next to and immediately after Our Order of the Indian Empire, and that the Companions thereof shall in all places and assemblies whatsoever have place and precedence next to and immediately after the Companions of Our said Order of the Indian Empire, and shall rank among themselves according to the dates of their respective denominations.

Eleventhly. It is ordained that the Badge of the Order, which shall consist of a gold cross, enamelled white, edged gold, having on one side thereof in the centre, within a wreath of laurel enamelled green, the Imperial Crown in gold, upon a red enamelled ground, and on the reverse, within a similar wreath and on a similar red ground, Our Imperial and Royal cypher V.R.I., shall be suspended from the left breast by a red riband edged blue, of one inch in width.

Twelfthly. It is ordained that the names of those upon whom We may be pleased to confer the decoration shall be published in the London Gazette, and a registry thereof kept in the office of Our Secretary of State for War.

Lastly. We reserve to Ourself, Our Heirs, and Successors, full power of annulling, altering, abrogating, augmenting, interpreting, or dispensing with these Regulations or any part thereof by a notification under the Sign Manual of the Sovereign of the Order.

Given at Our Court at Balmoral, this sixth day of September, in the fiftieth year of Our Reign, and in the year of Our Lord one thousand eight hundred and eighty-six.

By Her Majesty's Command,
W. H. SMITH.

EDWARD R. & I.

EDWARD, by the Grace of God, of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, Sovereign of the Distinguished Service Order, to all to whom these presents shall come, greeting:

Whereas Her late Majesty, Our Beloved Mother, Queen Victoria, by a Warrant under Her Royal Sign Manual, countersigned by one of Her Principal Secretaries of State, and bearing date at Her Court at Balmoral the sixth day of September, one thousand eight hundred and eighty-six, in the fiftieth year of Her reign, did institute and create a new naval and military order of distinction, to be styled and designated the "Distinguished Service Order."

And whereas by the said Royal Warrant it was, among other things, ordained that the said Order should rank next to, and immediately after, Our Order of the Indian Empire, and that the badge of the Order should have on the reverse Her late Majesty's Imperial and Royal Cypher, V.R.I.

And whereas We have thought fit to signify Our Royal Will and Pleasure that the said Order shall rank next to, and immediately after, Our Royal Victorian Order, and that the badge shall have on the reverse Our Imperial and Royal Cypher, E.R.I.

Now, therefore, We do, by these presents for Us, Our Heirs and Successors, ordain and appoint: Firstly, that the Distinguished Service Order shall rank next to, and immediately after, Our Royal Victorian Order, and that the Companions thereof shall, in all places and assemblies whatsoever, have place and precedency next to, and immediately after, the members of Our said Royal Victorian Order, and shall rank among themselves according to the dates of their respective nominations. Secondly, that the badge of the Order, which shall consist of a gold cross, enamelled white, edged gold, having on one side thereof in the centre, within a wreath of laurel enamelled green, the Imperial Crown in gold, upon a red enamelled ground, and on the reverse, within a similar wreath, and on a similar red ground, Our Imperial and Royal Cypher, E.R.I., shall be suspended from the left breast by a red riband, edged blue, of one inch in width.

Given at Our Court at St. James's this twenty-fourth day of July, in the second year of Our reign, and in the year of Our Lord one thousand nine hundred and two.

By His Majesty's Command
ST. JOHN BRODRICK.

The KING'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 14th day of June, 1901, in the words following, viz.:—

"Whereas we are of opinion that there should exist some means of recognising Distinguished Service before the Enemy on the part of Warrant Officers or Subordinate Officers of Your Majesty's Fleet, who by reason of not holding a Commission in the Royal Navy, are not eligible for appointment to any existing Order or Decoration:

"We beg leave to recommend that Your Majesty will be graciously pleased by Your Order in Council to institute a Decoration to be designated the Conspicuous Service Cross, and to consist of a Silver Cross, with the reverse side plain, but having on the obverse side in the centre Your Majesty's Imperial and Royal Cypher, E.R.I., surmounted by the Imperial Crown.

"We would beg leave to recommend to Your Majesty that this Decoration be awarded for meritorious or distinguished services before the Enemy performed by Warrant Officers, or Acting Warrant Officers, or by subordinate Officers of Your Majesty's Fleet; and that no person shall be nominated thereto unless his services shall have been marked by the especial mention of his name in despatches by the Admiral or Senior Naval or Military Officer Commanding the Squadron or detached Force.

THE ALBERT MEDAL.

WARRANT under His Majesty's Royal Sign Manual amending and consolidating the Royal Warrants relating to the ALBERT MEDAL.

EDWARD R. & I.

EDWARD THE SEVENTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, To all to whom these Presents shall come, Greeting:

Whereas Her late Majesty Queen Victoria, being desirous of distinguishing by some mark of Her Royal Favour the many heroic acts performed by Mariners and others who endanger their own lives in saving or endeavouring to save the lives of others from shipwrecks and other perils of the sea; and the many heroic acts performed on land by those who endanger their own lives in saving or endeavouring to save the lives of others from accidents in mines, on railways, and at fires, or other peril within Her Dominions, other than perils of the sea, did by Warrants under the Royal Sign Manual, bearing date respectively the 7th March, 1866, the 12th April, 1867, and the 30th April, 1877, Institute and create for Herself, Her Heirs, and Successors, as a mark of Royal Approbation of such heroic acts, new Decorations styled respectively "The Albert Medal of the First Class" and "The Albert Medal of the Second Class," inscribed "For Gallantry in Saving Life at Sea," and Decorations similarly styled but inscribed "For Gallantry in Saving Life on Land," which Decorations Her Majesty was desirous should be highly prized and eagerly sought after

And whereas since the institution of these Decorations under the Warrants above mentioned, amending Warrants bearing date respectively the 13th September 1881, the 12th March, 1891, and the 24th March, 1904, have been given under the Sign Manual, *and it is Our Pleasure still further to amend the Rules governing the award of the Decorations by abolishing the ordinance that the Medal for saving life on land shall only be awarded for acts of gallantry performed within Our Dominions.*

And whereas it seems to Us expedient to consolidate the Royal Warrants relating to the Said Decorations, We are graciously pleased to make, ordain and establish the following Rules and Ordinances for the government of the Decorations, which Rules and Ordinances shall from henceforth be inviolably observed and kept:

I. It is ordained that the Decorations "For Gallantry in Saving Life at Sea" shall be styled "The Albert Medal of the First Class" and "The Albert Medal of the Second Class."

II. It is ordained that "The Albert Medal of the First Class," when conferred for gallantry in saving life at sea, shall consist of a gold oval-shaped Badge or Decoration, enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded by a Garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life at Sea," and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three-eighths in width, with four white longitudinal stripes.

III. It is ordained that "The Albert Medal of the Second Class," when conferred for gallantry in saving life at sea, shall consist of the like shaped enamelled Badge, save and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and shall be suspended from a dark blue riband of an inch and three-eighths in width, with two white longitudinal stripes.

IV. It is ordained that the Medals shall only be awarded to those of Our faithful subjects and others who in saving or endeavouring to save the lives of others from shipwreck or other perils of the sea have endangered their own lives, and that such award shall be made only on a recommendation to Us by Our Principal Secretary of State for the Home Department.

Provided always that the preliminary steps and inquiry concerning the award of either Albert Medal inscribed "For Gallantry in Saving Life at Sea" shall, if the award be to anyone belonging to the Royal Navy or the Royal Marines, be with the Lords Commissioners of the Admiralty, and in other cases with the President of the Board of Trade.

V. It is ordained that the names of those persons upon whom We may be pleased to confer either of the Albert Medals inscribed "For Gallantry in Saving Life at Sea," shall be published in the London Gazette, and that a Register of the names of such of these persons as belong to the Royal Navy or the Royal Marines shall be kept in the Office of the Lords Commissioners of the Admiralty and a Register of the names of the persons not belonging to the Royal Navy or the Royal Marines upon whom We may be pleased to confer either Medal inscribed as aforesaid, shall be kept in the Office of the Board of Trade.

VI. It is ordained that the Decoration for gallantry in saving lives endangered otherwise than by perils of the sea shall be styled "The Albert Medal of the First Class" and "The Albert Medal of the Second Class," and shall be inscribed "For Gallantry in Saving Life on Land."

VII. It is ordained that "The Albert Medal of the First Class," when conferred for gallantry in saving life on land, shall consist of a gold oval-shaped Badge or Decoration, enamelled in crimson, with a Monogram composed of the letters V. and A., erect in gold, surrounded by a Garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life on Land," and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a crimson riband of an inch and three-eighths in width, with four white longitudinal stripes.

VIII. It is ordained that "The Albert Medal of the Second Class," when conferred for gallantry in saving life on land, shall consist of the like shaped enamelled badge, save and except that it shall be entirely worked in bronze, instead of gold and bronze, and shall be suspended from a crimson riband of an inch and three-eighths of an inch in width, with two white longitudinal stripes.

IX. It is ordained that the names of those upon whom We may be pleased to confer either of these Decorations shall be published in the London Gazette, and that a register thereof shall be kept in the Office of Our Principal Secretary of State for the Home Department.

X. It is ordained that the Medals shall only be awarded to those of Our faithful subjects and others who, in saving or endeavouring to save the lives of others from accidents in mines, on railways, or at fires, or other peril other than perils of the sea, have endangered their own lives, and that such award shall be made only on a recommendation to Us by Our Principal Secretary of State of the Home Department.

The following Rules and Ordinances are ordained for the government of the Decorations whether awarded for Gallantry in Saving Life at Sea, or on Land.

XI. It is ordained that "The Albert Medal of the First Class" shall be confined to cases of extreme and heroic daring, and that "The Albert Medal of the Second Class" shall be given in cases which, though falling within the cases contemplated by this Warrant are not sufficiently distinguished to deserve "The Albert Medal of the First Class."

XII. It is ordained that each Medal shall be suspended from the left breast.

XIII. It is ordained that any act of gallantry which is worthy of recognition by the award of the Albert Medal, but is performed by one upon whom the Decoration has already been conferred, may, on a recommendation to Us by Our Principal Secretary of State for the Home Department, be recorded by a bar attracted to the riband by which the Medal is suspended: and for every such additional act an additional bar may be added.

XIV. In order to make such additional provision as shall effectually preserve pure these most honourable Decorations, it is ordained that if any person on whom either of such Decorations is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, his name shall, by an especial Warrant under Our Royal Sign Manual, be forthwith erased from the register of those upon whom the said Decoration shall have been conferred and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our Heirs and Successors, shall be the sole Judges of the circumstance demanding such exposition. Moreover, We shall at all times have power to order that any person who may at any time have been expelled shall be restored to the enjoyment of the Decoration.

XV. The Warrants of the 7th March, 1866, the 12th April, 1867, the 30th April, 1877, the 13th September, 1881, the 12th March, 1891, and the 24th March, 1904, are hereby repealed.

Given at Our Court at *Saint James's*, this fifth day of *June*, one thousand nine hundred and five in the fifth year of Our Reign.

By His Majesty's Command.

GOOD CONDUCT MEDAL AND GRATUITY.

Extracts from the King's Regulations and Admiralty Instructions.

SEAMEN.

750. Men holding any of the Ratings specified as eligible for these awards in Appendix XV., Part I. who entered the Service prior to 1st January, 1885, and to whom they are still applicable, may be recommended for the Good Conduct Medal and Gratuity, under the following special rules. Pensioners coming under these conditions who return to the Service within five years of their being pensioned may be recommended for the Medal, but not for the Gratuity.

2. To entitle a man to a Medal—

(*a.*) He must have served for 10 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension;

(*b.*) He must have been recommended for it on his Service Certificate for the three consecutive years immediately preceding his application.

(*c.*) He must be recommended for it by the Captain under whom he is serving when he becomes eligible.

3. After a man has been awarded seven years of such continuous "Very Good" character as will under these Regulations count towards the Medal, and should his character continue to be "Very Good," the Captain will add to the character of "Very Good" given on his Service Certificate, whenever he is required to record it, the letters R.M. (Recommended for Medal), if he should consider him deserving thereof from his invariable very good conduct and exemplary manner of performing his duties. After 12 years of such "Very Good" character, the Captain will in like manner add the letters G.R. (Gratuity Recommended).

4. Desertion, reduction to the Second Class for conduct, imprisonment, detention, or the award of character less than "Good" during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in clauses 5 and 6 of this Article, and Clause 4 of Art. 751.

5. Exceptional cases. In order not entirely to exclude from the honour of a Medal a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become a "Very Good" character, the Admiralty will consider, with reference to the grant of a Medal without Gratuity, the case of any man who can show 15 years of continuous "Very Good" character, and who has been recommended as prescribed in Clause 2, Sub-Clause (*b*), of this Article, notwithstanding anything he may have done or any character which may have been awarded to him, except "Bad" or "Indifferent," in his previous service.

6. The Admiralty will also consider the case of any man who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly exemplary conduct in action, or otherwise; in such cases, however, a Gratuity will not be awarded.

7. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalided and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of service, reckoning for pension, in which case he may retain it.

8. To entitle a man to a Gratuity:—

(*a.*) He must have served for 15 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension.

(*b.*) He must have been awarded the Medal and have never forfeited it.

(*c.*) He must have been recommended or the Gratuity on his Service Certificate for the three consecutive years immediately preceding his application.

(*d.*) He must have been continuously awarded the character "Very Good" since he received the Medal.

(*e.*) He must have completed time for Long Service Pension unless previously invalided, and must be recommended for the Gratuity by the Captain under whom he is serving at the time of application.

9. The scale for Gratuities shall be as follows:—

	£
Chief Petty Officers, having served as Chief and First Class Petty Officers (OS) or Petty Officers (NS) for not less than 10 years	20

Digitized by Google

	£
Petty Officers (NS) having served as such or as First Class Petty Officers (OS) for not less than 10 years	15
Second Class Petty Officers (OS), with 7 years' service as such, or men of Leading Seaman rank with over 3 years' service as such, and 7 years* subsequent service in that capacity ..	10
Leading Seaman, having served as such for not less than five years	7
Able Seamen, and others	5

10. In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such lower rate, with reference to his combined service in several capacities, as in the opinion of the Admiralty, it may be proper to award him.

11. If a man should die before receiving the Gratuity to which he may be entitled, it will be paid to his widow, or next of kin if dependent upon him, provided he shall have completed time for Long Service Pension.

12. Clauses 6, 8, and 15 to 22, of Article 751, are applicable to men who joined the Service before 1st January, 1885.

751. Men holding any of the Ratings specified as eligible for the good Conduct Medal in Appendix XV., Part 1 who entered the Service after 31st December, 1884, may be recommended for the award under the following rules:—

Note.—This also applies to all boys who were under the age of 18 on 31st December 1884.

2. To entitle a man to a Medal—

(*a.*) He must have served for 15 years with continuous "Very Good" character," and with previous character not inferior to "Good," in service reckoning for pension.

Note.—In cases where character during pensionable service has been assessed as "Good" on the 31st December in any year, time reckoning for Medal will not commence until the 1st January following.

(*b.*) He must have been recommended for the award by his Captain on his Service Certificate for the three consecutive years immediately preceding his application.

(*c.*) He must be recommended by the Captain under whom he is serving at the time of application.

3. After a man eligible for a Good Conduct Medal under Clause 1 has been awarded 12 years' continuous "Very Good" character as under these Regulations, will count towards the Medal, and if his character should continue to be "Very Good," the Captain, if he considers him deserving thereof, is to enter on his Conduct Sheet or Service Certificate the notations of the recommendations provided for under Arts. 328 and 330, Clause 3.

4. Desertion or Reduction to the Second Class for Conduct will render a man absolutely ineligible for the award of a Good Conduct Medal, except one reduction within the first five years of a man's time, provided that by his good conduct he earned his restoration to the First Class within 8 months, and that his character for the year in which the reduction occurred was not assessed below "Good." See Clause 2 (*a*).

5. The Admiralty will nevertheless consider any recommendation which may be made in special circumstances on behalf of a man who can show 15 years of continuous "Very Good" character, although he may be disqualified for the award of a Medal under the ordinary Regulations.

6. If a man's conduct should not have been satisfactory during the interval pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty

7. From the date of the award or restoration of a Medal a Continuous Service Man, provided his character is maintained, will commence earning a Good Conduct Gratuity at the rate of 1*l.* a year which is not to be paid until he completes time for Pension. If invalided before completing time for pension, he will be paid 1*l.* for each completed year that he has served since the Medal was awarded or restored.

For each year's service in the following ratings, after the date of the award of the Medal, will be added—

	£	*s.*	*d.*
To Chief Petty Officer, Petty Officer (NS) and 1st Class Petty Officer (OS) ..	2	0	0
,, 2nd Class Petty Officer (OS) and men of Leading Seaman rank, with over 3 years' service as such*	1	0	0
,, Leading Seaman, except as above ..	0	10	0

until the maximum is reached, which will be, for a—

	£	*s.*	*d.*
Chief Petty Officer, Petty Officer (NS) and 1st Class Petty Officer (OS) ..	15	0	0
2nd Class Petty Officer (OS) and men of Leading Seaman rank, with over 3 years' service as such*	10	0	0
Leading Seaman, except as above ..	7	10	0
Able Seaman	5	0	0

8. If it is desired that men who have received Medals should also be given Gratuities, separate application must be made for the latter on the men becoming eligible for the award.

9. If a man is awarded the character of "Good," instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of Gratuity, notwithstanding that he may not have been deprived of the Medal.

10. If a man is deprived of his Medal, he will lose all claim to Gratuity; in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz. 5*l.* will be awarded.

11. If a man is invalided after having been awarded the Medal, and before completion of the full time for Pension, he will be awarded the amount of Gratuity in accordance with Clause 7 of this Article.

12. If a man should die after the award of his medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

13. Any man voluntarily quitting the Service before being entitled to a pension will not be entitled to a gratuity.

14. In cases where men who have completed time for Pension re-engage for a further period of service, and are not at the time of re-engaging entitled to the maximum Gratuity, such further service may count towards it, provided they in all respects comply with the Regulations.

15. Men who have been paid the Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently become eligible by

further service for a higher rate of Gratuity, may be paid the difference between the amount they have already received and such higher rate. But in no case will more than two payments on account of Good Conduct Gratuity be made to the same man.

16. In the case of a man who has been paid Gratuity after completing time for Pension, and whose Pension is not secured to him under Art. 1946, Clause 2, the Gratuity paid will be recovered from his Naval Pension if he misconducts himself during subsequent service and becomes ineligible for the award on final discharge; but in the case of a man whose Pension is secured, only so much of the Gratuity as may have been earned by service in excess of 22 years will be recovered.

17. In all these cases if the Captain should see fit to withhold the required recommendation for Medal or Gratuity he will fully record in the Conduct Book his reason for so doing and draw a line across the "R.M.G." column of the man's Service Certificate or the corresponding column of his Conduct Sheet (form S.239*a*).

18. No service can reckon for Medal or Gratuity which does not reckon for Pension, but Officers' Stewards and Cooks who have not performed the necessary service in seagoing ships to qualify for Pension under Article 1931, Clause 4, will not be debarred from an award of the Medal if otherwise eligible.

19. Imprisonment by the Civil Power shall not prejudice a man's claim to a Medal or Gratuity unless it shall have been so directed by the Admiralty if the man was serving at home at the time, or by the Commander-in-Chief if abroad.

20. A break in service not due to desertion, dismissal, sentence of imprisonment or detention or other misconduct on the Man's part will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for Medal or Gratuity, provided that he rejoin within five years, or, if invalided, so soon as the state of his health permits.

21. Names of Men recommended for Medals and Gratuities are to be transmitted to the Admiralty so soon as the Men become eligible for them, on Form S. 218, accompanied by their Service Certificate, by the Commanders-in Chief and Senior Officers at Home and Abroad, and by the District Captains of Coast Guard, and when the approval of the Admiralty has been received, the Medals are if possible to be presented before the Ship's company by the Captain of the Ship.

22. The foregoing regulations for the award of Good Conduct Medals and Gratuities apply to the Coast Guard Afloat and on Shore.

GOOD CONDUCT AND OTHER MEDALS AND GRATUITIES.

MARINES.

1192. Any Marine below the rank of Warrant Officer who enlisted after 31st December 1884, may be recommended for the award of a Good Conduct Medal under the following rules:—

NOTE.—This applies to Marines who were under age of 18 on 31st December 1884.

2. To entitle a Marine to a Medal:—

a. He must have served for 15 years with continuous "Very Good" character, with previous character not inferior to "Good" in service reckoning for Pension.

Note.—In cases where character during pensionable service has been assessed as "Good" on the 31st December in any year, time reckoning for Medal will not commence until the 1st January following.

b. He must have been recommended for the award by the Captain of his Ship, or by the Commandant of his Division on his Service Certificate for the three consecutive years immediately preceding his application.

c. He must be recommended by the Captain of the Ship or Commandant of his Division under whom he is serving when he becomes eligible.

3. After a Marine eligible for the Good Conduc Medal under Clause 1 has been awarded 12 years continuous "Very Good" character as under these Regulations will count towards Medal, and if his character should continue to be "Very Good," the Captain of his Ship or the Commandant of his Division, if he considers him deserving thereof, is to enter on his Company Conduct Sheet or Certificate the recommendations provided for under Arts. 828 and 830.

4. Desertion or reduction to the Second Class for Conduct will render a Marine absolutely ineligible for the award of a Good Conduct Medal, except for one reduction within the first five years of a Marine's time, provided that by his conduct he earns his restoration to the First Class within 8 months, and that his character for the year in which the reduction occurred was not assessed below "Good." *See* Clause 2 (*a*).

5. The Admiralty will nevertheless consider any recommendation which may be made, in special circumstances on behalf of a Marine who can shew 15 years of continuous "Very Good" character, although he may be disqualified for the award of a Medal under the ordinary Regulations.

6. If a Marine's conduct should not have been satisfactory during the interval pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty.

7. Notations on Certificates are to be made in all cases of suspension and restoration of Medal in consequence of the loss of a Badge; and also in all cases of absolute forfeiture.

8. A Warrant Officer may keep and wear the Medal for Long Service and Good Conduct granted to him before promotion.

9. From the date of the award or restoration of a Medal a Marine, provided his character is maintained will commence earning a Gratuity at the rate of 1*l.* a year, which is not to be paid until he completes his time for Pension, unless he is invalided from the Service in the meantime, in which case he will be paid 1*l.* for each completed year that he has served since the Medal was awarded or restored.

To this will be added for each year's service in the following ranks or Acting and Lance Ranks in the case of Non-Commissioned Officers who are subsequently promoted to the substantive Rank after the date of the award of the Medal:—

	£	s.	d.
Non-commissioned Officer in Class I. ..	2	0	0
Sergeant in Classes II., III., and IV. ..	1	0	0
Corporal and Bombardier	0	10	0

until the maximum is reached, which will be, for a—

10. If it is desired that Marines who have received Medals should also be given Gratuities, separate application must be made for the latter, on the Men becoming eligible for the award.

11. If a Marine is awarded the character of "Good" instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of Gratuity, notwithstanding that he may not have been deprived of the Medal.

12. If a Marine is deprived of his Medal, he will lose all claim to Gratuity, but in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz. 5*l.*, will be awarded.

13. If a Marine is invalided after having been awarded the Medal, and before completion of the full time for pension, he will be awarded the amount of Gratuity to which he may be then entitled by service.

14. If a Marine should die after the award of his Medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

15. Any Marine voluntarily quitting the Service before being entitled to a Pension will not be entitled to a Gratuity.

16. In cases where Marines who have completed time for Pension re-engage for a further period of service, and are not at the time of re-engaging entitled to the Maximum Gratuity, such further service may count towards it, provided they in all respects comply with the Regulations.

17. Marines who have been paid the Good Conduct Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently became eligible by further service for a higher rate of Gratuity, may be paid the difference between the amount they have already received and such higher rate. But in no case will more than two payments on account of Good Conduct Gratuity be made to the same Marine.

18. In the case of a Marine who has been paid a Good Conduct Gratuity after completing time for pension, so much of the Gratuity paid as may have been earned by service in excess of 21 years will be recovered from his Naval Pension if he misconducts himself during subsequent service, and becomes ineligible for the award on final discharge.

19. Whenever the Captain sees fit to withhold the required recommendation, he will record fully his reasons on the Company Conduct Sheet, and a copy of this record is to be attached to the next quarterly return. In the case of Marines on shore, the Commandant will similarly record his reasons on Form R. 154.

20. No service can reckon for Medal or Gratuity which does not also reckon for Pension.

21. Imprisonment by the Civil Power shall not prejudice a Marine's claim to Medal or Gratuity, unless it shall have been so directed by the Admiralty, if the man was serving at home at the time, or by the Commander-in-Chief if abroad.

22. A break in service caused by a Marine being invalided will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for Medal Gratuity, provided that, should he be eligible for re-entry, he rejoins as soon as the state of his health will permit, and completes the required service.

23. The service of a Marine who reverts to the corps after serving in the Ship's Police or Sick Berth Staff on probation, will not be considered as broken in continuity with reference to Medal and Gratuity or Pension.

24. In the case of a Marine who has served in the Army prior to joining the Royal Marines, and whose former Army service after 18 years of age is allowed to reckon towards Naval Pension, only such portion of his Army Service will be allowed as qualifying service for a Good Conduct Medal and Gratuity as would be admitted if the service had been rendered in the Royal Marines instead of in the Army; in determining which, regard must be had to his "Register of Service" in the Army as well as to the character awarded to him on discharge therefrom.

Men who join from the Army must be recommended for Medals and Gratuities for three consecutive years after entry in the Marines before becoming eligible for the award in accordance with Clauses 2 and 3 of this Article.

25. Names of Marines recommended for Medals and Gratuities are to be transmitted to the Admiralty on Form S. 218 accompanied by their Service Certificates or certified copies thereof by the Commanders-in-Chief and Senior Officers at Home and Abroad, and the Commandants of Royal Marines, through the Adjutant General, as soon as the Marines become eligible for them, and when the approval of the Admiralty has been received, the Medals are to be presented before the Ship's Company by the Captain of the ship, and in the case of Marines on shore, by the Commandants on parade.

1193. A sum not exceeding 400*l.* a year is placed at the disposal of the Admiralty, to be distributed in Annuities not exceeding 20*l.* as rewards for distinguished or meritorious service, to be granted either before or after discharge to Sergeants who have completed 21 years' service, or have been granted a life pension on account of hurts received in action, or otherwise in the execution of duty. Such Annuities may be retained by any recipients who may subsequently attain the rank of Warrant Officer, and may be held in addition to Pension.

2. The names of Sergeants who may be considered eligible for this reward for distinguished or meritorious service by the Officer under whose command they are serving at the time of their discharge to Pension, are to be reported to, and registered in the Department of the Adjutant-General of Royal Marines, in order that when an Annuity becomes vacant it may be granted to the most deserving.

3. The Sergeants selected for this honorary distinction shall be entitled to wear a Silver Medal, having on one side His Majesty's effigy, and on the other the words "For Meritorious Service," and the name of the Sergeant, with the date of its grant; and they will not be liable to forfeiture of the Annuity and Medal, except by sentence of a Court Martial, or by conviction of felony by the Civil Power.

1194. Conspicuous Gallantry Medals and Annuities may be awarded to Non-Commissioned Officers and Privates of Royal Marines who distinguish themselves by acts of conspicuous gallantry in action with the enemy, under the provisions of Art. **159.**

2. A Warrant Officer may retain an Annuity granted to him before promotion for conspicuous gallantry in action.

NOTE.—The rules as to deprivation and restoration of Medals are contained in Article 778, &c., of the King's Regulations and Admiralty Instructions.

1. Whenever His Majesty may be pleased by His Order in Council, to call officers from the reserved or retired lists into active service in case of war or emergency, such officers shall be, in all respects, entitled to the pay and emoluments of their corresponding ranks on the active list, their retired pay being suspended. (A) Mutiny, nor
(B) Felony, nor
(C) Conduct unbecoming the character of an Officer and in respect of which a sentence of dismissal from His Majesty's Service with disgrace shall be passed, nor
(D) Conduct of such a nature as would, in the opinion of the Admiralty, merit a reduction in the rate of Retired Pay, such as would have been made under the Regulations for the time being in force relating to the retirement of Royal Marine Officers for misconduct, had the Officer concerned been retired from the Active List on account of the conduct in question.

NOTE.—In cases falling within Clause (D) the Admiralty have power, at discretion, to make a reduction in the Retired Pay of the Officer concerned as they would have had if he had been on the Active List at the time of such misconduct, and subject to the Regulations for the time being in force relating to the retirement of Royal Marine Officers for misconduct on account of the breach of discipline or misconduct in question.

OFFICERS ON THE EMERGENCY LIST.

GENTLEMEN WHO HAVE RESIGNED THEIR COMMISSIONS IN THE ROYAL NAVY.

(Under the Provisions of Orders in Council of the 13th May, 1901, and 11th February, 1913).

In order that the State may not lose altogether the advantages which it has the right to expect in return for the expenses incurred in the training of Officers, a list of Officers eligible for employment in an Emergency has been established, and the Lords Commissioners of the Admiralty expect that all Officers who are permitted to resign their Commissions on the Active List for private reasons should enrol their names on this list.

Officers so enrolled are allowed to retain their Commissions and to wear the Uniform of their rank at time of resignation, but they do not receive pay, pension, or promotion* when not employed.

If called up for Active Service, Officers on this list receive the full pay of their rank, and outfit gratuities not exceeding the following amounts:—

	£
Captains and Commanders and Officers of corresponding relative rank	50
Lieutenant-Commanders, Lieutenants and Officers of corresponding relative rank..	40
Sub-Lieutenants and Officers of corresponding relative rank	30

Emergency Officers re-employed in time of war may be promoted irrespective of the regulations governing the promotion of Officers on the Active List, but such special promotion will not extend to the granting of Flag rank or of any equal relative rank.

Officers promoted after they have been placed on the Emergency List will receive the rate of Full Pay of the higher rank, and those not so promoted the rate they were receiving when last on Full Pay.

On discharge after being called up for Active Service Officers will be granted a Bonus of 25 per cent. on the Full Pay (exclusive of Allowances) earned during their employment.

Emergency Officers voluntarily re-employed (*e.g.*, during annual Manœuvres) will receive in addition to the full pay and allowances of their rank a bonus of 15 per cent. for every pound of full pay (exclusive of allowances) earned by them.

Equipment allowances will be granted at the following rates, provided that no Officer will receive any allowance if less than three years have elapsed between the date of his re-ignation and the date of his re-employment, and that no allowance will be repeated to the same Officer within a period of five years:—

	£	s.	d.
To all Officers below the rank of Lieutenant	9	0	0
To Lieutenant-Commanders, Lieutenants or Officers of corresponding rank	12	10	0
To Commanders or Officers of corresponding rank	14	10	0

Officers who may receive hurts or wounds on Active Service in the Royal Navy, and the widows and children of Officers who may be killed, or who die of injuries received on Active Service will be eligible for the grant of Pensions and Allowances as if the Officers had been on the Active List.

Ex-Officers who are placed on the List will be shown as such in the Navy List.

Any Officer who withdraws his name from the Emergency List before the age of 55 will be required to resign his Commission.

Officers actually selected to fill appointments to be taken up in time of war or emergency, will undergo such instruction as may be considered necessary to fit them for the duties they will be called upon to perform. Attendance at such courses of instruction will be under the following regulations:—

(a) The pay is the same as would b given if called out during war or emergency, except the Bonus.

(b) Travelling expenses of Officers attending the Courses are allowed.

(c) Plain clothes may be worn, and no allowance for outfit is given.

(d) Accommodation, when available, will be provided if desired.

Engineer Officers placed on the List will be selected from ex-officers whose profession continues to be connected with mechanical engineering. The nature of their employment since the date on which they resigned their commission should be stated by Candidates when volunteering, and also, if selected, once a year after their names are placed on the List.

In the same manner Medical Officers only will be selected who continue to practise their profession. The nature of their present work as medical men should be stated.

Officers are required to write annually, until they are 55 years of age, on the 1st January to the Secretary of the Admiralty, stating whether they are still fit to serve. After reaching the age of 55 Officers are required to report themselves annually between the 1st January and 31st March by letter to the Editor of the Navy List, otherwise their names will be removed from the List. They are to report at once any change in their address, and before proceeding abroad they must obtain the approval of the Admiralty.

Before Officers on the Emergency List enter into any engagement under or on behalf of Foreign Governments or accept any form of employment which may take them away from the United Kingdom, thus rendering them not available for service in H.M. Fleet at short notice, they must first obtain the approval of the Admiralty.

Gentlemen whose names are placed on the Emergency List as volunteers to serve in case of emergency will be required to fill up and return a form which will be sent to them.

1. The Admiralty reserve to themselves the power of promoting any Lieutenant-Commander or Lieutenant entered under this scheme to the Active List of Commanders for distinguished service during war operations.

2. At the discretion of the Admiralty a Lieutenant on retirement may be granted such Honorary rank as may be considered desirable.

3. Pensions for Hurts and Wounds, Widows' Pensions, Compassionate Allowances to Children, to be at the same rate, and under the same conditions, as those granted to Officers of the Royal Navy of corresponding rank.

4. Widows of Officers on the Supplementary List not killed in action, and who have not lost their lives in the execution of the service, who at the time of death had not five years' seniority as Commissioned Officers on the Active List, are eligible for the award of Gratuities, such Gratuities to be in every case less than the Gratuity that could have been payable to the Officer himself if he had been compelled by illness to retire from His Majesty's Navy instead of dying in it. (Order in Council, 7th March, 1899.)

ENTRY OF OFFICERS OF THE ROYAL NAVAL RESERVE ON THE SUPPLEMENTARY LIST OF LIEUTENANTS AND SUB-LIEUTENANTS, R.N., UNDER ORDER IN COUNCIL OF 7TH MARCH, 1913.

A limited number of Officers of the Royal Naval Reserve between the ages of 22 and 32 will be entered on a Supplementary List of the Navy.

Candidates will be selected from Officers of the Royal Naval Reserve who have completed 12 months' training in the Royal Navy, or who are now undergoing training.

Application for entry from Officers now undergoing 12 months' training, who may be eligible under the above regulations, will not be considered until the applicants have performed three months of the period of training. Selected candidates will be required to undergo a medical examination.

Sub-Lieutenants will be eligible for promotion to Lieutenant after one year's service from the date of entry in the Royal Navy or on the date on which they would have become eligible for the rank of Lieutenant in the Royal Naval Reserve, but power is reserved to the Admiralty to appoint them as Acting Lieutenants at any period of their service.

In the case of Officers who may not have fulfilled the service required by the Regulations of the Board of Trade for examination for Master, promotion will be subject to their passing an examination to be held by the Board of Trade.

Lieutenant-Commanders and Lieutenants on the Supplementary List will be eligible for promotion to the rank of Commander in cases of very exceptional service.

The rates of full pay will be the same as for Lieutenant-Commanders, Lieutenants and Sub-Lieutenants, R.N., and Sub-Lieutenants on the Supplementary List will receive a messing allowance of 1s. a day in addition. It is contemplated that continuous employment on full pay will be found for all Officers entered on the Supplementary List, except when they may be on half pay either through misconduct or at own request, or when full pay shall have ceased in consequence of sickness. Half and Retired Pay, and gratuities, will be at the rates laid down for Officers entered on the Supplementary List under earlier Orders in Council. The rates of full, half, and retired pay, mentioned above, are shown in other parts of the Navy List.

At the discretion of the Admiralty a Lieutenant-Commander or Lieutenant on retirement may be granted the retired rank of Commander under the conditions applicable to Lieutenant-Commanders and Lieutenants generally.

Pensions for wounds and injuries, widows' pensions and compassionate allowances for children will be at the same rates and under the same conditions as those granted to Officers of the Royal Navy of corresponding rank.

Officers on entry will cease to be entitled to retaining fees.

The full equipment grant of 30*l.* will be given to Sub-Lieutenants and 40*l.* to Lieutenants, in consideration of their having to obtain naval uniform, provided that they have not received any outfit allowance on appointment to one of His Majesty's Ships for training within the two years immediately preceding the date of entry on the Supplementary List.

An Officer who has received outfit allowance within such two years will receive only half the equipment grant, or the difference between what he has already received and the full rate.

Officers on the Supplementary List who perform meritorious service during war or who specially distinguish themselves in action will be eligible for transfer, at the discretion of the Admiralty, to the general list of officers of the Royal Navy in vacancies, and if so transferred will be allowed to count the service which they were entitled to count when on the Supplementary List.

RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE KING'S REGULATIONS.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall, subject to the exceptions provided for in Chapter III. of the King's Regulations and Admiralty Instructions, be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, unless the relative rank is granted at the discretion of the Admiralty, or is dependent on the attainment of seniority or completion of service. In the latter case it shall take effect from such attainment of seniority or completion of service in the particular rank.

(For Table, *see* p. 951.)

Nothing contained in these regulations is to be considered as giving a claim to any Officer of the Navy to assume command of His Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of His Majesty's Squadrons or Ships, or of any of the Officers or men thereunto belonging, unless under special authority from the Government of His Majesty.

When Officers of the Navy are employed on shore, on joint service with His Majesty's Land Forces, their relative rank shall carry with it all the precedence and advantages, except command, attaching to the rank with which it corresponds, and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in the East Indies is regulated by the Royal Warrant o precedence in India.

It is His Majesty's pleasure that the following rules be observed in the Colonies in regard to the precedency of Naval and Military Officers in command of His Majesty's Forces:

a. The Officer in command of His Majesty's Naval Forces on the Station, if of the rank of an Admiral, and the Senior Officer in command of the troops, if of the rank of a General, are to have precedence next after the Governor, their own relative rank being determined by the Regulations on that subject. Governers of other Colonies shall rank next after such Naval and Military Officers.

b. The Senior Officer in command of the troops, if of the rank of Colonel or Lieutenant-Colonel and the Officer in command of His Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedency next after the Bishop and the Chief Justice, their own relative rank being determined by the regulations on that subject.

c. The Officer in command of His Majesty's Naval Forces on the Station, and the Senior Officer in command of the troops, if below the rank of Colonel or Lieut.-Colonel, are to continue to take rank, as has heretofore been the case, next after the Solicitor-General.

Whilst, however, these rules will take effect in every place in which His Majesty's Instructions, communicated through the Secretary of State, avail for the purpose, they will not override the precedence which in a few Colonies is conferred upon certain Officers, either by law, or by the terms of Letters Patent from the Crown; which instruments cannot be set aside or altered except by the issue of others having the same form and equal authority.

PRIZE MONEY.

PROCLAMATION.*

VICTORIA, R.

WHEREAS by Our Order in Council of this day's date We were graciously pleased to annul, from and after the thirty-first day of October next, Our Royal Proclamation of the third day of August one thousand eight hundred and eighty-six, regulating, according to the Scheme set forth therein or recognised thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially apportioned by the Terms of the respective Awards and Allowances, and in consequence of certain Alterations in the Apportionment and Classification of the Shares being desirable, it is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the manner of Prize Money.

We do, therefore, now make known to all Our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice of Our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That Ships or Vessels being in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of Prize Money, shall be made as follows, viz.:—

That the flag officer or officers shall have one-thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed, that is to say:—

When there is but one flag officer he shall have the entire one-thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one-thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first-class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures seizures, rewards, or any distributive proceeds aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of Our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted:—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prize taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from Our Commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said Commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect to his superior commission or office.

And with reference to these regulations it is to be noted that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order

GOD SAVE THE QUEEN.

At the Court at Buckingham Palace.

The 28th day of August, 1914.

Present;

The KING'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords-Commissioners of the Admiralty, dated the 26th day of August, 1914, in the words following, viz.:—

"Whereas Her late Majesty Queen Victoria was graciously pleased by Her Royal Proclamation of the 17th day of September, 1900, to regulate, according to the scheme set forth therein or recognised thereby, the distribution of the net proceeds of prizes captured from the enemy, of captures and seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the abolition of the Slave Trade, for the capture and destruction of Pirates and Piratical Vessels, and of the rewards conferred for the same, as also, of the awards for all salvage granted to the Crews of Your Majesty's Ships and Vessels of War, when not otherwise specially apportioned by the terms of the respective awards and allowances:

"And whereas we are of opinion that the conditions governing the distribution of the proceeds of Prizes captured from the enemy when such proceeds are granted by Your Majesty to the Officers and Men of Your Majesty's Fleet, require modification to bring them into accord with modern conditions:

"And whereas it is intended that in lieu of the system of distribution of Prize Money described in the above mentioned proclamation there should be substituted, under regulations and conditions to be hereafter announced, a system of Prize Bounties or Gratuities for more general distribution to the Officers and Men of Your Majesty's Naval Forces:

"We humbly beg leave to recommend that Your Majesty will be graciously pleased, by Your Order in Council, to cancel so much of the above-mentioned Proclamation as relates to the distribution of the net proceeds of Prizes captured from the enemy."

His MAJESTY, having taken the said Memorial into consideration, was pleased, by and with the advice of his Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

PRIZE BOUNTY.

At the Court at Buckingham Palace.

The 29th day of February, 1916.

Present:

The KING'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 18th day of February, 1916, in the words following, viz.:

"Whereas by the Naval Prize Act, 1864, it is enacted that if Your Majesty is pleased in relation to any War to declare by Proclamation or Order in Council Your intention to grant Prize Bounty to the Officers and Crews of Your Majesty's Ships of War, then such of the Officers and Crews of Your Majesty's Ships of War as are actually present at the taking or destroying of any armed Ship of any of Your Majesty's enemies shall be entitled to have distributed among them as Prize Bounty a sum calculated at the rate of Five Pounds (£5) for each person on board the enemy's Ship at the beginning of the engagement, and that the amount of the Prize Bounty decreed as in the Act provided shall be paid by the Commissioners of Your Majesty's Treasury, out of money provided by Parliament, in such manner as any Order in Council may from time to time direct:

"And whereas Your Majesty, by Order in Council dated the 2nd day of March, 1915, declared Your intention in relation to the present War to grant Prize Bounty to the Officers and Crews of Your Majesty's Ships of War, and directed that Prize Bounty as ascertained should be paid by the said Commissioners of Your Majesty's Treasury into the account of Your Majesty's Paymaster-General at the Bank of England for distribution under our direction among the Officers and Crews of Your Majesty's Ships of War entitled thereto in the shares in that behalf to be specified thereafter by Your Order in Council:

"And whereas by the Naval Agency and Distribution Act, 1864, it is provided that money distributable among the Officers and Crews of any of Your Majesty's Ships of War in respect of (*inter alia*) any capture, recapture, or destruction of any ship, goods, or thing in time of War or Hostilities, so far as full provision respecting the distribution thereof is not made by or under any Act of Parliament other than that Act, shall be distributed under our direction in the shares in that behalf specified in any Royal Proclamation or Order in Council:

"We now therefore beg leave humbly to submit that Your Majesty may be graciously pleased, by Your Order in Council, to authorize the distribution under our direction of all money decreed as Prize Bounty among the Officers and Crews of Your Majesty's Ships of War entitled thereto in the shares below mentioned:—

"1. The Flag Officer or Officers to have one-thirtieth part of the net amount distributable according to the following conditions and modifications:—

"When there is but one Flag Officer he shall have the entire one-thirtieth part; when two Flag Officers shall be sharing together the Chief shall have two-thirds and the other Flag Officer shall have the remaining one-third of the one-thirtieth part; and when there shall be more than two Flag Officers the Chief shall have half of the said one-thirtieth part and the remaining half shall be equally divided among the Junior Flag Officers.

"Commodores of the First Class including Captains of the Fleet to share as Flag Officers.

"Every Commodore having a Captain under him may be esteemed a Flag Officer whether he is Commanding-in-Chief or serving under Command

"No Flag Officer shall share in the distribution unless he was in fact on board one of Your Majesty's Ships or Vessels of War actually present at the taking or destroying of the armed enemy Ship in question.

"2. Any Officer on board any of your Majesty's Ships or Vessels of War actually present at the taking or destroying of any armed Ship of Your Majesty's enemies who shall have more Commissions than one shall be entitled only to share according to the share allotted to him by the above-mentioned distribution in respect to his superior Commission or Office.

"3. Every Chief of the Staff not of Flag Rank shall share as Captain in Command or Captain not in Command as the case may be.

"4. The Officer or Officers actually in Command of Your Majesty's Ships and Commanders serving as Executive Officers in Ships commanded by Captains may divide one-tenth part of the remainder, or, if there is no Flag Officer to share, one-tenth part of the whole amount distributable, in the following proportions:—

"Where the Officer is in Command of a Ship singly entitled to an award, and has not a Commander as Executive Officer under him, he shall take the whole one-tenth part.

"Where Commanding Officers of various Ranks, and Commanders serving as Executive Officers as aforesaid shall share jointly, the one-tenth part shall be so divided into parts as to provide for each Captain Commanding receiving six parts, each Commander Commanding or Commander serving as Executive Officer under a Captain, three parts, and each Lieutenant-Commander, Lieutenant, or other Officer, actually commanding, two parts.

"5. After provision shall thus have been made for the Flag share (if any), and for the Commanding Officer or Officers and others as above specified, the remainder of the net amount distributable shall be distributed in Classes, so that each Officer man and boy composing the rest of the complements of Your Majesty's Ships and Vessels of War, and actually present on board at such taking or destroying, and every person present and assisting shall receive shares or a share according to his Class, as set forth in the following scale, the relative ranks mentioned being those laid down in the Regulations and Instructions for the Government of your Majesty's Naval Service, the Instructions for the Government of the Coast-guard Service, and the Regulations for the Government of the various classes of the Reserves, or, if not so laid down, as determined by the Lords Commissioners of the Admiralty.

THE object of the Institution is to provide for the fatherless children of our Seamen and Marines a useful and religious education, according to the principles of the Church of England, and to support and clothe them as far as the Funds will permit.

Numbers of such children are found in our Naval Ports, surrounded by all that is distressing in poverty, and vicious in morals.

In the Female Orphan Home there are 113 girls dependent on the funds of the Charity (eligible for admission between the ages of seven and eleven years) who are entirely maintained, clothed, and educated; and who, under the guidance of a careful matron are subject to a course of industrial training to qualify them for domestic service.

Besides these there are in the Home 30 girls, whose maintenance is paid for from the funds of Greenwich Hospital; and four from the Royal Patriotic Fund, those sent in each case being admissible according to the Rules of the Institution.

There are 36 boys also, maintained from the Funds of the Home, at Swanley in Kent.

The Directors depend on voluntary contributions for funds to carry on the Institution. The number of children they can receive depends upon the amount of their Funds. They therefore confidently appeal to the charitable for help in carrying on and extending these works of usefulness, and rescuing from want and misery the fatherless children of those who have served their country, and who, in many cases, whilst thus engaged, have lost their lives in war, or in storm, shipwreck or disease.

Visitors are earnestly invited to view the Institution, which is open daily for inspection from 11 a.m. till 3 p.m., Saturdays excepted.
